Notes:

| 1) All equipment to be installed in accordance with specifications by PlayPower factory-certified professional installers |
|--|
| 2) Equipment shall be installed within four (4) weeks of product delivery, unless requested by agency to be delayed |
| 3) Customer shall receive, unload and inspect goods upon arrival, noting any discrepancies on the Delivery Receipt prior to written acceptance of the shipment unless other arrangements |
| have been made |
| 4) Customer shall be responsible for providing a clear, level site and for coordinating the scheduling of all deliveries and installation |
| 5) Site should permit installation equipment access. Purchaser shall be responsible for unknown conditions such as buried utilities, tree stumps, bedrock or any concealed materials or |
| conditions that may result in additional costs |
| 6) Equipment installation pricing excludes all site work and landscaping; removal of existing equipment; storage of goods prior to installation; and drainage provisions. Call local |
| representative for an estimate for site services |
| 7) Building Permits, if required, shall be charged at the provider's cost |
