It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Supplier Development Administrator. Typically, a Participating Entity will issue an order directly to Supplier or its authorized subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity

payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be negotiated directly between the Participating Entity and the Supplier. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

Upload documentation of certification (as applicable) in the document upload section of your response.	Altoz recently purchased a manufacturing facility located in a designated HUBZone that we will use to manufacture Altoz products.
43	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	Altoz is the first and only outdoor power equipment manufacture to offer a zero-turn mower with a rear track system. This track system allows for low ground pressure, exceptional traction and increased operator safety. It also allows operators to cut areas (low wet ground, rough terrain and slope areas; like water hazards, retention ponds, and ditch banks) that other equipment cannot mow, or cannot mow safely. The Altoz tracked mowers are specifically designed for maintaining road right-of-ways and technical terrain with the ability and agility to mow slopes, ditch banks and approaches quickly and safely. When paired with Altoz accessories, for mulching, seeding, fertilizing and plowing, the tracked mowers become a versatile tool for multiple uses in the maintenance of road and highway right-of-ways. The smaller footprint of the tracked mower allows for maintenance crews to carry more equipment on a trailer or use a smaller trailer for transport.

Table 9: Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *
44	Do your warranties cover all products, parts, and labor?	Altoz will repair or replace, at its option, any covered part which is found by Altoz to be defective in material or workmanship during the applicable warranty term. Warranty service will be performed without charge to the purchaser for parts and labor by an Authorized Altoz dealer. Complete Warranty Information is attached.
45	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	No – Our warranty does not impose usage restrictions that adversely affect coverage. Please see attached warranty.
46	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Altoz warranty does not cover travel time or mileage to perform warranty repairs.
47	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	Altoz mowers should be brought to the nearest Altoz dealer for warranty repairs needed. Engine, transmission and battery are warranted by their respective manufacturer and should be brought to an authorized distributor for warranty on these items.
48	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	Engine, transmission and battery are warranted by their respective manufacturer.
49	What are your proposed exchange and return programs and policies?	Altoz does not have an exchange or return program for mowers.
50	Describe any service contract options for the items included in your proposal.	Altoz does not offer any service contract options.

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *
51	Describe your payment terms and accepted payment methods?	Payment terms will be Net 30. Invoicing will be issued through our Altoz dealers.
52	Describe any leasing or financing options available for use by educational or governmental entities.	Financing options and lease-purchase for Entities and Municipalities are available through Sheffield Financial or Western Equipment Financing and offered by Altoz dealers.

For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell participating entities' purchase orders.	The Sourcewell member should contact their local Altoz dealer to receive a quote. To find the nearest Altoz dealer visit us at: https://altoz.com/ The Altoz dealer will process orders against the Sourcewell Contract. Altoz Dealers will receive compensation by Altoz for the sales made under the Sourcewell contract once they submit the appropriate paperwork to Altoz and this in turn will be used for reporting purposes for sales made under the Sourcewell Contract. Upload a sample of each (as applicable) in the document upload section of your response.	Altoz provides a Fleet/Municipality form that is completed by our dealers and submitted to Altoz with the product registration. Altoz would incorporate Sourcewell as a part of this form. Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response *
56	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Altoz pricing discounts are by line-item: 15% discount off current MSRP on Altoz zero-turn tracked mowers. 20% discount off current MSRP on Altoz zero-turn wheeled mowers. 20% discount off current MSRP on eligible Altoz accessories. See attached Altoz zero-turn mower and accessories pricing showing current MSRP, Sourcewell contract price and the SKU for each item.
57	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	Altoz offers a 15% - 20% discount off current MSRP.
58	Describe any quantity or volume discounts or rebate programs that you offer.	An additional 2% discount is available for a single order of 8 mowers shipped to the same location.
59	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Altoz does not offer a nonstandard product option.
60	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Additional charges may include, but are not limited to: accessory installation, labor, administrative fees, finance programs, added freight. Please contact Altoz dealer regarding any additional fees not already covered in the price of the product. Altoz standard freight rates to the Altoz dealer are included in the price of the mower. Please contact Altoz dealer regarding any additional freight fees not already covered. Contact the Altoz dealer for delivery fee to the Sourcewell member's requested delivery location.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *
65	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	Altoz is accountable for payment of agreed upon administration fees to Sourcewell for sales of Altoz product by our dealers. The special pricing offered on the Sourcewell contract will be made known to the Altoz dealers through a notification in writing and posted on the dealer portal. This will allow the Altoz dealer to prepare quotes and invoices in accordance to the Sourcewell contract. Altoz dealers selling to Sourcewell members under this contract will receive compensation from Altoz. Dealers are required to submit the Fleet/Municipality/Sourcewell form to Altoz before compensation is given to verify compliance with the Sourcewell contract. Based on the documentation received from our dealers. Altoz will remit the agreed upon administrative fees to Sourcewell. Review of the Sourcewell contract submissions against the contract will be done by Altoz on a regular basis and paid to Sourcewell quarterly as agreed upon in this contract.
66	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	Altoz will measure the year over year sales and profitability of this contract by region. Altoz will conduct dealer and end user surveys.
67	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	Altoz will pay an administrative fee of 1.5% to Sourcewell for sales of Altoz finished goods and accessories for these items sold by the Altoz dealers under the Sourcewell Contract to Sourcewell members. Altoz will be made aware of sales under the Sourcewell contract through reporting submitted from our dealers.
