

**Solicitation Number: RFP #062421****CONTRACT**

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and Sweep America Intermediate Holdings, LLC, 4141 Rockside Road, Suite 100, Seven Hills, OH 44131 (Supplier).

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Facilities Maintenance Services from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires August 8, 2025, unless it is cancelled sooner pursuant to Article 22. This Contract may be extended one additional year upon the request of Sourcewell and written agreement by Supplier.
- C. **SURVIVAL OF TERMS.** Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

- A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above.

Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. **WARRANTY.** Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

C. **DEALERS, DISTRIBUTORS, AND/OR RESELLERS.** Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be

returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

- Identify the applicable Sourcewell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;

- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell

contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract; however, Supplier performance, Participating Entity payment obligations, and any applicable warranty periods or other Supplier or Participating Entity obligations may extend beyond the term of this Contract.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcwell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be negotiated directly between the Participating Entity and the Supplier. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcwell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the equipment, products, or services to be purchased; or
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements.

E. **GOVERNING LAW AND VENUE.** The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

A. **PRIMARY ACCOUNT REPRESENTATIVE.** Supplier will assign an Account Representative to Sourcwell for this Contract and must provide prompt notice to Sourcwell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcwell and Participating Entity inquiries; and
- Business reviews to Sourcwell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Supplier must perform a minimum of one business review with Sourcwell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, sales data reports, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Supplier must provide a contract sales activity report (Report) to the Sourcwell Supplier Development Administrator assigned to this Contract. Reports are due no later than 45 days after the end of each calendar quarter. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

The Report must contain the following fields:

- Participating Entity Name (e.g., City of Staples Highway Department);
- Participating Entity Physical Street Address;
- Participating Entity City;
- Participating Entity State/Province;
- Participating Entity Zip/Postal Code;
- Participating Entity Contact Name;
- Participating Entity Contact Email Address;
- Participating Entity Contact Telephone Number;
- Sourcwell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcwell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Supplier.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcwell, the Supplier will pay an administrative fee to Sourcwell on all Equipment, Products, and Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Supplier may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Supplier will submit payment to Sourcwell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased

by Participating Entities under this Contract during each calendar quarter. Payments should note the Supplier's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Supplier agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Supplier is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Supplier in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Supplier's Authorized Representative is the person named in the Supplier's Proposal. If Supplier's Authorized Representative changes at any time during this Contract, Supplier must promptly notify Sourcewell in writing.

10. AUDIT, ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. **AUDIT.** Pursuant to Minnesota Statutes Section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by Sourcewell or the Minnesota State Auditor for a minimum of six years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

B. **ASSIGNMENT.** Neither party may assign or otherwise transfer its rights or obligations under this Contract without the prior written consent of the other party and a fully executed assignment agreement. Such consent will not be unreasonably withheld. Any prohibited assignment will be invalid.

C. **AMENDMENTS.** Any amendment to this Contract must be in writing and will not be effective until it has been duly executed by the parties.

D. **WAIVER.** Failure by either party to take action or assert any right under this Contract will not be deemed a waiver of such right in the event of the continuation or repetition of the circumstances giving rise to such right. Any such waiver must be in writing and signed by the parties.

E. **CONTRACT COMPLETE.** This Contract represents the complete agreement between the parties. No other understanding regarding this Contract, whether written or oral, may be used to bind either party. For any conflict between the attached Proposal and the terms set out in Articles 1-22 of this Contract, the terms of Articles 1-22 will govern.

F. **RELATIONSHIP OF THE PARTIES.** The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. INDEMNITY AND HOLD HARMLESS

Supplier must indemnify, defend, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees incurred by Sourcewell or its Participating Entities, arising out of any act or omission in the performance of this Contract by the Supplier or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications. Sourcewell's responsibility will be governed by the State of Minnesota's Tort Liability Act (Minnesota Statutes Chapter 466) and other applicable law.

12. GOVERNMENT DATA PRACTICES

Supplier and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Supplier under this Contract.

13. INTELLECTUAL PROPERTY, PUBLICITY, MARKETING, AND ENDORSEMENT

A. INTELLECTUAL PROPERTY

1. *Grant of License.* During the term of this Contract:
 - a. Sourcewell grants to Supplier a royalty-free, worldwide, non-exclusive right and license to use the trademark(s) provided to Supplier by Sourcewell in advertising and promotional materials for the purpose of marketing Sourcewell's relationship with Supplier.
 - b. Supplier grants to Sourcewell a royalty-free, worldwide, non-exclusive right and license to use Supplier's trademarks in advertising and promotional materials for the purpose of marketing Supplier's relationship with Sourcewell.
2. *Limited Right of Sublicense.* The right and license granted herein includes a limited right of each party to grant sublicenses to their respective subsidiaries, distributors, dealers,

resellers, marketing representatives, and agents (collectively “Permitted Sublicensees”) in advertising and promotional materials for the purpose of marketing the Parties’ relationship to Participating Entities. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this Article by any of their respective sublicensees.

3. Use; Quality Control.

- a. Neither party may alter the other party’s trademarks from the form provided and must comply with removal requests as to specific uses of its trademarks or logos.
- b. Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party’s trademarks only in good faith and in a dignified manner consistent with such party’s use of the trademarks. Upon written notice to the breaching party, the breaching party has 30 days of the date of the written notice to cure the breach or the license will be terminated.

4. As applicable, Supplier agrees to indemnify and hold harmless Sourcewell and its Participating Entities against any and all suits, claims, judgments, and costs instituted or recovered against Sourcewell or Participating Entities by any person on account of the use of any Equipment or Products by Sourcewell or its Participating Entities supplied by Supplier in violation of applicable patent or copyright laws.

5. Termination. Upon the termination of this Contract for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party’s name or logo (excepting Sourcewell’s pre-printed catalog of suppliers which may be used until the next printing). Supplier must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell’s written directions.

B. **PUBLICITY.** Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Supplier individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

C. **MARKETING.** Any direct advertising, marketing, or offers with Participating Entities must be approved by Sourcewell. Send all approval requests to the Sourcewell Supplier Development Administrator assigned to this Contract.

D. **ENDORSEMENT.** The Supplier must not claim that Sourcewell endorses its Equipment, Products, or Services.

14. GOVERNING LAW, JURISDICTION, AND VENUE

The substantive and procedural laws of the State of Minnesota will govern this Contract. Venue for all legal proceedings arising out of this Contract, or its breach, must be in the appropriate state court in Todd County, Minnesota or federal court in Fergus Falls, Minnesota.

15. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

16. SEVERABILITY

If any provision of this Contract is found by a court of competent jurisdiction to be illegal, unenforceable, or void then both parties will be relieved from all obligations arising from that provision. If the remainder of this Contract is capable of being performed, it will not be affected by such determination or finding and must be fully performed.

17. PERFORMANCE, DEFAULT, AND REMEDIES

A. **PERFORMANCE.** During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. *Notification.* The parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Supplier will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. *Escalation.* If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Supplier may escalate the resolution of the issue to a higher level of management. The Supplier will have 30 calendar days to cure an outstanding issue.
3. *Performance while Dispute is Pending.* Notwithstanding the existence of a dispute, the Supplier must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Supplier fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, the Supplier will bear any additional costs incurred by Sourcewell and/or its Participating Entities as a result of such failure to proceed.

B. **DEFAULT AND REMEDIES.** Either of the following constitutes cause to declare this Contract, or any Participating Entity order under this Contract, in default:

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

The party claiming default must provide written notice of the default, with 30 calendar days to cure the default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

18. INSURANCE

A. REQUIREMENTS. At its own expense, Supplier must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. *Workers' Compensation and Employer's Liability.*

Workers' Compensation: As required by any applicable law or regulation.

Employer's Liability Insurance: must be provided in amounts not less than listed below:

Minimum limits:

\$500,000 each accident for bodily injury by accident

\$500,000 policy limit for bodily injury by disease

\$500,000 each employee for bodily injury by disease

2. *Commercial General Liability Insurance.* Supplier will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.

Minimum Limits:

\$1,000,000 each occurrence Bodily Injury and Property Damage

\$1,000,000 Personal and Advertising Injury

\$2,000,000 aggregate for Products-Completed operations

\$2,000,000 general aggregate

3. *Commercial Automobile Liability Insurance.* During the term of this Contract, Supplier will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms

no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer), or equivalent.

Minimum Limits:

\$1,000,000 each accident, combined single limit

4. *Umbrella Insurance*. During the term of this Contract, Supplier will maintain umbrella coverage over Employer's Liability, Commercial General Liability, and Commercial Automobile.

Minimum Limits:

\$2,000,000

5. *Network Security and Privacy Liability Insurance*. During the term of this Contract, Supplier will maintain coverage for network security and privacy liability. The coverage may be endorsed on another form of liability coverage or written on a standalone policy. The insurance must cover claims which may arise from failure of Supplier's security resulting in, but not limited to, computer attacks, unauthorized access, disclosure of not public data – including but not limited to, confidential or private information, transmission of a computer virus, or denial of service.

Minimum limits:

\$2,000,000 per occurrence

\$2,000,000 annual aggregate

Failure of Supplier to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Supplier must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Supplier Development Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf.

Failure to request certificates of insurance by Sourcewell, or failure of Supplier to provide certificates of insurance, in no way limits or relieves Supplier of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Supplier agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Supplier's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Supplier, and products and completed operations of Supplier. The policy provision(s) or endorsement(s) must further provide that coverage is

primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. **WAIVER OF SUBROGATION.** Supplier waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Supplier or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Supplier or its subcontractors. Where permitted by law, Supplier must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. **UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION.** The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

19. COMPLIANCE

A. **LAWS AND REGULATIONS.** All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. **LICENSES.** Supplier must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Supplier conducts with Sourcewell and Participating Entities.

20. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Supplier certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Supplier declares bankruptcy, Supplier must immediately notify Sourcewell in writing.

Supplier certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Supplier certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Supplier further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

21. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may have additional requirements based on specific funding source terms or conditions. Within this Article, all references to “federal” should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Supplier’s Equipment, Products, or Services with United States federal funds.

A. **EQUAL EMPLOYMENT OPPORTUNITY.** Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of “federally assisted construction contract” in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 C.F.R. § 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” The equal opportunity clause is incorporated herein by reference.

B. **DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names

of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Suppliers must file any required certifications. Suppliers must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Suppliers must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Suppliers must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Supplier must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Supplier further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Supplier must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Supplier must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Supplier agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Supplier that are directly pertinent to Supplier's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Supplier's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation

and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

M. FEDERAL SEAL(S), LOGOS, AND FLAGS. The Supplier not use the seal(s), logos, crests, or reproductions of flags or likenesses of Federal agency officials without specific pre-approval.

N. NO OBLIGATION BY FEDERAL GOVERNMENT. The U.S. federal government is not a party to this Contract or any purchase by an Participating Entity and is not subject to any obligations or liabilities to the Participating Entity, Supplier, or any other party pertaining to any matter resulting from the Contract or any purchase by an authorized user.

O. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS. The Contractor acknowledges that 31 U.S.C. 38 (Administrative Remedies for False Claims and Statements) applies to the Supplier's actions pertaining to this Contract or any purchase by a Participating Entity.

P. FEDERAL DEBT. The Supplier certifies that it is non-delinquent in its repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowance, and benefit overpayments.

Q. CONFLICTS OF INTEREST. The Supplier must notify the U.S. Office of General Services, Sourcewell, and Participating Entity as soon as possible if this Contract or any aspect related to the anticipated work under this Contract raises an actual or potential conflict of interest (as described in 2 C.F.R. Part 200). The Supplier must explain the actual or potential conflict in writing in sufficient detail so that the U.S. Office of General Services, Sourcewell, and Participating Entity are able to assess the actual or potential conflict; and provide any additional information as necessary or requested.

R. U.S. EXECUTIVE ORDER 13224. The Supplier, and its subcontractors, must comply with U.S. Executive Order 13224 and U.S. Laws that prohibit transactions with and provision of resources and support to individuals and organizations associated with terrorism.

S. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT. To the extent applicable, Supplier certifies that during the term of this Contract it will comply with applicable requirements of 2 C.F.R. § 200.216.

T. DOMESTIC PREFERENCES FOR PROCUREMENTS. To the extent applicable, Supplier certifies that during the term of this Contract will comply with applicable requirements of 2 C.F.R. § 200.322.

22. CANCELLATION

Sourcewell or Supplier may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Supplier's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

Line Item	Question	Response *
9	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	<p>HISTORY & HERITAGE Sweep America Intermediate Holdings, LLC, doing business as SCA Sweeping Corporation of America (SCA), is the largest self-performing power sweeping services provider in the United States. With an emphasis on quality service and customer focus, they quickly became the nation's elite North America Power Sweeping Association (NAPSA) certified sweeping contractor. Although SCA was formed in 2017, their sweeping heritage began in 1960 with the founding of Contract Sweeping & Equipment in Columbus, Ohio.</p> <p>SCA can offer their customers a superior experience in sweeping services as well as an all-encompassing NPDES (National Pollutant Discharge Elimination System) storm-water plan with their sweeping and sewer JetVac solutions and best in class vehicles. Their reliable services have been trusted by municipalities, State Departments of Transportation, construction contractors and commercial, parking, and industrial properties throughout the mid-western, eastern and southern United States.</p> <p>Since February of 2017, SCA has completed 25 strategic acquisitions and look forward to continuing to identify inorganic growth opportunities in markets across the US. As of May 2021, SCA has 50 operating locations.</p> <p>MISSION STATEMENT To be the premier power sweeping services company in North America by providing safe, reliable and economical solutions to our customers while adhering to our core values.</p> <p>CORE VALUES:</p> <p>SAFETY: Our employees are empowered and responsible for the complete safety of themselves, our customers and the areas where we operate.</p> <p>SERVICE: We uphold an unwavering commitment in providing our valued customers the highest level of respectful, efficient and reliable service.</p> <p>INTEGRITY: Do the right thing, at the right time for the right reason. We keep our promises to our stakeholders - our customers, our communities and each other.</p> <p>GROWTH: We promote a collaborative work environment where our employees can make a difference and realize their full potential. Together the SCA team will drive our continued growth and success.</p> <p>OUR SAFE and HIGHLY QUALIFIED DRIVERS: To ensure the highest quality service, SCA is a drug free workplace. All SCA operational personnel must meet the following guidelines/requirements:</p> <ul style="list-style-type: none"> • Possess a current commercial driver's license and valid DOT medical card. • Pass a pre-hire drug screen, background check and physical. • Participate in random drug & alcohol screening • Allow annual review of their Motor Vehicle Record • Always wear an ANSI class three (3) safety vest • Participate in monthly safety meetings. • If an employee accumulates more than 6 points on their MVR in a 3-year period they are subject to immediate dismissal <p>Extensive job specific training is provided via equipment manufacturer's video, insurance videos, and hands-on training. A supervisor will ride with each new employee until they are proficient in the safety, maintenance, and operation of a street sweeper. SCA drivers are always required to adhere to traffic laws and are aware that offenses such as sweeping against the flow of traffic will result in disciplinary action up to immediate dismissal. All of their maintenance staff are factory trained and undergo additional training annually. Uniformed SCA personnel operate clearly identified sweepers which include the SCA company logo, phone number, operational location and US DOT number.</p>
10	What are your company's expectations in the event of an award?	SCA hopes to build on their present customer base by adding the ability to utilize an awarded Sourcewell Contract. An awarded contract will allow SCA to continue their company's growth, provide Sourcewell Members with impeccable service, allow Sourcewell members nationally discounted prices and open opportunities to SCA in the educational and non-profit markets.
11	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	Sweep America Intermediate Holdings, LLC (SCA) is a sound and stable company. Please see attached Certificates of Good Standing, Bonding Qualification, and Bank Letter. The Duns number for this entity is 08-095-4905 SCA has many more Certificates of Good Standing and will be happy to provide any Member with this information.
12	What is your US market share for the solutions that you are proposing?	Today, SCA is ten times larger than that of their closest competitor. It is hard to establish a market share for their services as it is a highly fragmented market with over 1,000 local companies across the United States. Many municipalities self-perform which makes market share tough to calculate. SCA is the only truly scaled sweeping self-performing sweeping services provider and their scale enables them to bring a higher level of sophistication creating numerous advantages relative to their competitors.
13	What is your Canadian market share for the solutions that you are proposing?	Today, SCA has no operations in Canada. SCA has an interest in expanding first into the Ontario area. If there becomes more interest among the Canadian Members, SCA will examine the opportunity to expand into other Canadian territories as well.
14	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	SCA nor its parent company has ever filed for bankruptcy.
15	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization. a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	SCA is best described as a service provider with 50 locations across the United States. SCA employs a staff of over 1200 full-time team members that will be proving sales support and performing all services related to any awarded Sourcewell contract.
16	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	Sweeping Corporation of America and/or listed subsidiaries holds many Contractors Licenses in the following states (not limited to these states): AL, MS, LA, TN, MS, VA, TN, MO, LA, SCA or listed subsidiaries holds business licenses or business registrations in the following states (not limited to these states) VA, DE, NJ, PA, CA, IN, MO, OH, WV, SC, AL, GA, MS, AL, TN, KY, OK, MD, NC, RI, TX, FL SCA holds a Florida Department of Health Operating Permit If a member requires a specific license to do business, SCA is able to obtain that license.
17	Provide all "Suspension or Debarment" information that has applied to your organization during the past ten years.	Neither SCA nor any subsidiaries have ever been suspended or disbarred during the last ten years.

Table 3: Industry Recognition & Marketplace Success

Line Item	Question	Response *
18	Describe any relevant industry awards or recognition that your company has received in the past five years	<p>SCA has been consistently recognized by various third-party organizations across our footprint at the local, regional, and national level. They have included a few awards below. Although they appreciate the recognition, they feel as though the best measure of success is renewal and referral business from their current customers.</p> <p>Sweeping Company of the year by Pavement Maintenance and Reconstruction magazine in 2019</p> <p>WSA Sweeper of the Year in 2017</p> <p>East Tennessee Clean Fuel Fleet Award in 2019.</p> <p>NAPSA Certified Sweeping Company</p> <p>In addition to the above awards, SCA is also a proud member of the following trade and industry groups that have high standards for their members, especially the National American Power Sweeping Association which certifies companies for their service levels.</p> <p>60 Years of Sweeping Heritage National American Power Sweeping Association American Public Works Association Property Management Association National Association of Sewer Service Companies American Road and Transportation Builders Association</p>
19	What percentage of your sales are to the governmental sector in the past three years	Approximately 37-40% of SCA's total sales are to DOT, County and Municipal customers for the last 3 years.
20	What percentage of your sales are to the education sector in the past three years	Less than 1% of SCA sales have been to non-profit and schools during that same time period.
21	List any state, provincial, or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	<p>SCA does not hold any cooperative purchasing contracts.</p> <p>In the last year, SCA received over \$24 million in revenue with 13 state agencies covered by 67 contracts with the following states: AL, CA, FL, GA, LA, MD, MS, NC, PA, SC, TN, TX AND VA</p> <p>In the last year, SCA received over \$15 million of contracted revenue with over 325 local municipalities and counties across 18 states: AL, CA, DE, FL, GA, IN, LA, M, MI, MS, NC, NJ, OH, PA, SC, TN, TX AND VA.</p> <p>The prior two annual periods are comparable to the 2020 annual municipal sales volumes.</p>
22	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	SCA does not hold any GSA or Standing Offer Arrangements.

Table 6: Ability to Sell and Deliver Service

Describe your company's capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *
25	Sales force.	SCA has a fully-staffed sales force. There are 14 Regional Sales managers that provide coverage across all 50 locations in the United States. Those Regional Sales Managers provide support for all of SCA's lines of business. All Regional Sales Managers report to a Government Bid and Contract's Manager who reports directly to a Vice President of Sales.
26	Dealer network or other distribution methods.	There is no dealer network. There are 50 SCA locations. See attached for Map of locations and list of cities/states
27	Service force.	SCA employs over 1200 full-time team members throughout their 50 locations. SCA owns all of the equipment to be used in performing facilities maintenance services for Sourcewell Members.
28	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	<p>SCA's proprietary VSS technology allows customers to log into a custom cloud-based portal to visually see real-time and historical sweeping cycle data. This information can be easily exported for billing verification and reporting showing the customer's parking lots, streets and highways are being swept as they expect.</p> <p>SCA guarantees service satisfaction. If SCA does not complete the scope of work to the customer's satisfaction, they will redo the area in question. The response time is usually the same day and well within 12 hours. The service time will be completed within 48 hours.</p> <p>SCA provides GPS reports on completed sweeping cycles pursuant to the attached customer service flyer.</p> <p>Each SCA site will have a Regional Sales Manager and a Project Manager contact for each job. These contacts will be listed on the Sourcewell Quote that is presented to the Member.</p>
29	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	<p>SCA is in business to self-perform facilities maintenance services, parking lot sweeping, street sweeping, Jet/Vacuuming, closed circuit TV pipe inspection and porter services. SCA is aggressively pursuing new business growth opportunities within North America, and a contract with Sourcewell supports their overall corporate strategy.</p> <p>SCA is continually expanding their network of locations and is willing to provide services in the areas of their current locations. SCA is also willing to provide services nationally beyond their current locations.</p> <p>See the attached Advertising in the Municipal Magazine recently published.</p>
30	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	<p>SCA does not have any operations currently in Canada. SCA is continually expanding their network of locations and is willing to provide services in Canada where able.</p> <p>SCA is open to expanding into Canada.</p>
31	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	SCA will cover all of the United States. SCA will cover parts of Canada, specifically in the Ontario area.
32	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	There are no participating entity sectors that SCA will not cover fully.
33	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	SCA will participate with Hawaii, Alaska and other US Territories. There will be fees for equipment mobilization where there is no local presence. The fees will be to cover costs of equipment transportation. This will not be a profit center for SCA. All applicable charges will be discussed in the quote process prior to any Member issuing a Purchase Order.

Table 7: Marketing Plan

Line Item	Question	Response *
34	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	<p>SCA has an integrated marketing strategy that utilizes both traditional and non-traditional marketing channels to drive leads and convert prospects. The majority of their marketing efforts are digitally focused and utilize the following primary strategies to identify new prospects, leads, and opportunities.</p> <p>See attached examples of electronic marketing flyers.</p> <ol style="list-style-type: none"> 1. Search Engine Optimization (SEO) 2. Search Engine Marketing (SEM) 3. Customer Segmentation Analysis for Targeting 4. Sales Playbook, Sales Manual and Sales Pitch deck developed and utilized by SCA's sales team. 5. B2B direct marketing strategies (Integrated) <p>In addition to the above strategies, SCA also utilizes direct sales strategies working with our 14 Regional Sales Managers (RSMs) located across the footprint as well as their Site and General Managers that are our customer's primary contact for any work to be completed.</p> <p>SCA will train all of their sales staff with the assistance of MJ DuBois, Contract Administrator, and make use of Sourcewell's available employees, extensive collection of vendor support materials. This training will be accomplished both by group sales meetings and one-on-one virtual meetings. MJ DuBois has been training in the marketing and sales of Sourcewell Contracts for over ten years with an abundance of success.</p> <p>SCA will take an aggressive approach to marketing Sourcewell. SCA will include Sourcewell Logos in their service brochures and on their website. SCA will want their customers to immediately know that they have a Sourcewell Contract available for their utilization whether they are a member or want to become a member. In order to further ensure that SCA is fully marketing the value of Sourcewell, SCA will encourage their sales staff to attend regional Sourcewell training sessions as well as utilize their assigned Sourcewell Vendor Development Manager to assist in answering questions for Members interested in learning more about the value of the Sourcewell procurement process.</p> <p>See attached ads recently published in Municipal Magazine.</p>
35	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	<p>SCA has invested heavily over the last 6+ months in marketing technology and resources. Below is a short list of some of the tools SCA utilizes to track performance of all of their marketing efforts.</p> <ol style="list-style-type: none"> 1. Sisense – Periscope - A data visualization tool that allows us to build a dashboard to better analyze all the digital marketing metrics from our ad campaigns. 2. Salesforce - A customer relationship management (CRM) tool to optimize the sales and reporting processes. 3. Asana - A project management tool SCA uses as a team to ensure they are not forgetting about any specific tasks related to the 30+ projects they are working on at any time. 4. Trello - An online, list-making tool that allows for team collaboration and task tracking 5. FlipHTML5 - An online flipbook tool that allows SCA to convert PDFs to embedded HTML documents with interactivity and full engagement tracking 6. Visme - An online design tool that allows SCA to internally develop all different types of marketing communications. From info-graphics to social media promotions to full advertisements. <p>SCA has made significant investments in third-party consulting firms in 2021 that are experts in digital marketing.</p> <p>Voglio – Digital Marketing & Advertising Perception Builder – Website Optimization Scaling Innovations – Customer Segmentation Analysis Aggregate Insights – Sales Strategy Planning and Implementation</p> <p>Recent results of SCA strategies include: SCA has seen a 39% increase in Google 1st position rankings from January to April 2021. From January 1 – Feb. 28 vs. March 1 – April 30, web leads have increased by 54%. SCA's current Return on Ad Spend (ROAS) is 16:1. For every \$1 of advertising they are spending, they are generating \$16 of net new revenue. (Anything greater than 4:1 is considered successful.) SCA's revenue per lead is 1,694% greater than their cost per lead.</p>
36	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	<p>Sourcewell knows how to promote their contracts! SCA believes that Sourcewell's marketing model works and that is demonstrated by the growth in Sourcewell sales. The basis of SCA's longevity is service-rated and Sourcewell is well aware of this concept.</p> <p>SCA is firmly committed to the Sourcewell contract buying concept and is in agreement that it is the way of the future. SCA will create sessions at their National Sales Meetings dedicated solely to Sourcewell sales education and training. These sessions will include how to properly sell, using any contract award, question and answer periods, and testimonials about SCA success stories with the contract.</p>
37	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	<p>SCA's services will not be available through an e-procurement order process as each customer site is different and will need to be viewed by a Regional Sales Manager prior to quoting.</p>

38	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	<p>SCA will not provide training as a part of the scope of this contract. SCA will provide services; no equipment is to be used by the Member.</p>

39	Describe any technological advances that your proposed products or services offer.	<p>VERIFIED SWEEPING SERVICE®</p> <p>SCA is the only sweeping company to offer the proprietary Verified Sweeping Service® (VSS). Their proven state-of-the-art VSS portal allows their customers to confirm that specific Geo-fenced areas (contracted segment of parking lots/roads/highways) have been swept, minimizing the use of a human inspector, saving on costs. Sourcewell entities will have visibility into our active contract and will be able to view agreed to Geo-fence boundaries, service parameters (max speed, min broom time, etc.) and a history of work-order completions. Our VSS portal is also available in desktop and mobile devices to allow for convenient access at any time to view predetermined performance metrics, real-time execution progress, and historical perspectives of SCA's services</p> <p>All equipment used by SCA in the course of completing Member's Job Orders comply with the latest EPA emission standards.</p> <p>SCA's new equipment purchases consist of the following types of equipment that far exceed industry standard and are considered far superior due to their technological advances:</p> <p>M6 AVALANCHE (MECHANICAL SWEEPER) 5-Yard Mechanical Sweeper</p> <p>The Schwarze M6 Avalanche™ is earning its reputation as the premier heavy duty mechanical broom sweeper in the American marketplace.</p> <p>The versatile Schwarze M6 Avalanche sweepers offer many of the design innovations that have become the Schwarze® hallmark. The Schwarze® Easy Change Conveyor System makes it a breeze to repair or replace a conveyor. Or go from a squeegee type to a belt type conveyor on the same machine. The free float, impact resistant, drag shoes take lateral impact from milling cuts, manhole covers and curbs and flexes back into place.</p> <p>Elgin - Broom Bear (MECHANICAL SWEEPER)</p> <p>Rugged and made to last, the Elgin® Broom Bear® four-wheel mechanical (broom) sweeper is the most efficient on the market. Mounted on a commercially available conventional or cab-over chassis with fully dualized controls (single-steer optional) and an intelligent single-engine design that utilizes the chassis engine to power the sweeper. The Elgin Broom Bear features a large hopper and water tank, which means more productive sweeping time. Single-engine design keeps maintenance or the need for replacement sweeper parts to a minimum. A variable dumping height and 11" (279 mm) of hopper side-shift ensures easy dumping. This sweeper is available with your choice of squeegee or no-jam belt conveyor systems, depending on the application requirements. The short wheelbase, large brooms, and dual mode air suspension system make the Elgin Broom Bear ideal for sweeping in both congested urban areas and far away rural locations. The Elgin Broom Bear is available as an optional alternative fuel sweeper including compressed natural gas (CNG).</p> <p>Nitehawk Sweepers - Osprey II – Regenerative Air Sweeper for Low Profile Applications (Parking Decks/Garages)</p> <p>The next generation Osprey II is engineered to perform in the most diverse operating environments. Built on a low profile conventional chassis, this sweeper can excel in any location. 35 years of inspired design and field testing have culminated in the best-in-class sweeping performance of the Osprey II. The advanced hydraulic system has the power to sweep anything you throw in front of it. Reliable quiet operation lets you clean where no other sweeper can. Powerful, silent and efficient. There is simply nothing else like it.</p> <ul style="list-style-type: none"> • Advanced Hydraulics –Generate power and reliability where you need it most • "Stealth Sweeping" System – Single engine hydraulic design delivers the quietest performance of any sweeper • 5 year warranty – longest warranty of any sweeper manufacturer • Lowest Cost of Operation – No auxiliary engine delivers performance with efficiency • Customized Application – Passenger side brooms, specialized cameras, custom paint - we can build your perfect unit • Innovative Controls – User friendly controls customized for operators • Longevity – NiteHawk has been producing sweepers for over 45 years. • Support – full service dealerships and factory support throughout the US. • Driver Friendly – Simple operation, training and No CDL requirement. <p>Sewer Equipment Co. of America</p> <p>MODEL 900 ECO COMBINATION SEWER CLEANER</p> <p>Sewer Equipment Co. of America introduces the Model 900 ECO Combination Sewer Cleaner truck. The 900 ECO utilizes proven technologies to deliver a machine with a simplicity that is unequaled in the combo jet vac truck industry. The Model 900 ECO operating platform offers the best in class fuel efficiency and noise reduction for operator safety.</p> <p>It all starts with our patented "Hydro Drive" powertrain system. The Hydro Drive powers the pump and blower in addition to the auxiliary hydraulic systems. When you are ready to work, simply put the truck in neutral and apply the parking brake and exit the cab while the combo truck remains in neutral and power is taken directly from the chassis engine, assuring operator safety during operation, as there is no transfer case to slip into gear.</p> <p>The simplicity at the operator's station begins with the flip of one switch: Work Mode. The operator can utilize the remaining three switches (water pump, blower, and throttle) to go to work with ease. What's more, there are no special sequences required, that's it! Additionally, simplicity continues with the use of 12-volt electrical switches, relays, and solenoids throughout the truck, making it easy for mechanics to run diagnostics and maintain the equipment. Moreover, no special laptops or software programs required; all you need is a simple test light and a hydraulic pressure gauge.</p> <p>CUES – Sewer and Pipeline Inspection Systems</p> <p>CUES PRE-BUILT MAINLINE AND LATERAL INSPECTION VEHICLES</p> <p>CUES TV/LAMP (mainline and lateral probe) inspection vehicles to help locate electric lines, water lines, gas lines, sewer lines, and other pipes in the path of boring machines to avoid penetrating or damaging the pipes. Prior to the initiation of horizontal boring, use the CUES TV/LAMP truck system to perform pan and tilt inspections of the mainline sewer pipe while viewing and locating lateral services. CUESTV LAMP vehicles can include a variety of inspection equipment based on your specific needs. Trucks include state of the art Evolution Interior III, featuring an ergonomic design to achieve ease of operation, safety, and convenient storage to produce the most efficient, rugged, and reliable system in today's market</p> <p>Safety Technology - Scorpion II® TMA Truck Mounted Attenuator</p> <p>After 17 years on the road, over 2,000 documented impacts, and thousands of lives saved across the globe, the Scorpion TMA's Patented design is the safest and most reliable Truck Mounted Attenuator available today!</p> <p>The Scorpion II TMA consists of strut and cartridge sections that are linked together on a support frame. This open cartridge design reduces wind resistance and increases fuel efficiency when deployed on the job site and when traveling at highway speeds. Each energy absorbing cushion has an Aluminum honeycomb core that is enclosed by aluminum powder coated box module that provides maximum durability and longevity. The Scorpion II is equipped with omnivolt LED brake, directional, signal and running lights to further enhance advanced warnings to drivers.</p> <p>When impacted, the Scorpion's modular design crushes in progressive stages, which reduces the impact forces on the vehicles occupants and results in lower repair costs and easy parts replacement. The curved side rails are made from corrosion resistant aluminum tubes and offer full width impact protection along the entire length of the Scorpion II by safely redirecting the impacting vehicle away from the deadly "coffin corners" at the rear of the truck. Unlike the Scorpion II, most other manufacturers Crash Attenuator models have little or no side-angle impact protection</p> <p>The Scorpion II TMA is the world's first Truck Mounted Attenuator eligible for MASH, TL-3 tested at 62.5 mph (100 kph); see FHWA Eligibility Letter CC-132 for details.</p>

40	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	<p>As a certified Sweeping Company by the North American Power Sweeping Association, SCA has met all their criteria (partial list below).</p> <ul style="list-style-type: none"> • Certified Members shall agree to comply with all local, state and federal regulations in regard to the proper disposal of sweeping debris. • Certified Members shall provide to customers proof of proper disposal methods upon request. <p>A Commitment to Excellence The definition of quality is conformance to requirements. NAPSA established the industry standards for properly and professional operation of a power sweeping business. Approved by the American National Standards Institute, the NAPSA/ANSI Power Sweeping Standard (PSS1000-2018) defines the procedures professional power sweeping companies endeavor to implement to provide quality services to their customers. By implementing and adhering to the Power Sweeping Standard, companies can reduce their legal exposure while increasing employee satisfaction and retention. NAPSA's Power Sweeping Standard – 2018PPS1000</p> <p>All equipment used by SCA in the course of completing Member's Job Orders comply with the latest EPA emission standards.</p> <p>In addition, SCA works closely with our procurement partners to identify suppliers that are focused on sustainability and develop their products with this in mind. Below are highlights from one of our primary vehicle suppliers:</p> <p>Schwarze The Schwarze machines that SCA utilizes are certified on the California South Coast Air Quality Management District Rule 1186 – Less-Polluting Sweepers. SCAQMD Rule 1186 requires local governments within the South Coast Air Quality Management District to procure certified street sweepers for new equipment purchases or new street sweeping contracts made after January 1, 2000 (there are no retrofit requirements under Rule 1186). Various SCAQMD regulations also require procurement of certified street sweepers to implement specific rule requirements. This list of equipment is updated periodically based on certifications test results and in response to new information. The SCAQMD Governing Board adopted Rule 1186 street sweeper testing and certification procedures in September of 1999. This standard that was set in Southern California is now nationally recognized as a standard when purchasing sweepers.</p>

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *
46	Describe your payment terms and accepted payment methods?	Net 30 days. Payments may be made by Check, ACH transfer and wire transfer.
47	Describe any leasing or financing options available for use by educational or governmental entities.	There are no financing or leasing options for services to be provided in the scope of this solicitation.
48	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell participating entities' purchase orders.	The Sourcewell Member will contact an SCA Regional Sales Manager for an initial request for quote. The Regional Sales Manager will review the Member's requirements and, if necessary, will make a site visit to determine the estimated equipment and time involved for the project. The Regional Manager will contact SCA's HQ (Government Bid Manager) for tracking and estimation. The Government Bid Manager will then prepare a quote based on the Sourcewell Pricing, Terms and Conditions working with MJ DuBois. The Government Bid Manager will then send the Member the quote for review. The Member will then send a Purchase Order to SWEEPING CORPORATION OF AMERICA'S HQ for the project scheduling. SCA's Government Bid Manager will disperse the project to the correct location for fulfillment. The Government Bid Manager will forward any Purchase Order to MJ DuBois for proper Sourcewell Sales Reporting. The local Project Manager will complete the project and report back to HQ that the job is complete. Then SWEEPING CORPORATION OF AMERICAN will invoice the Member.
49	Describe any standard transaction documents that you propose to use in connection with an awarded contract (order forms, terms and conditions, service level agreements, etc.). Upload a sample of each (as applicable) in the document upload section of your response.	See attached examples of SCA Parking Lot agreements and Other Service Agreements, these may or may not be utilized for Sourcewell Members.
50	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	P-card is not accepted.

Table 11: Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcwell Price and Product Change Request Form.

Line Item	Question	Response *
51	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcwell discounted price) on all of the items that you want Sourcwell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	It is SCA's intent to offer a percentage discount from the published labor rates to the Sourcwell Members on all of the services being offered. SCA's discount will be based on a percentage off of the profit-making portion of this award. SCA's intent is a simple percentage discount calculation. SCA will not discount costs of added items such as water, dump fees or equipment mobilization fees as these items are invoiced as a pass through (at cost) price to the Member.
52	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	SCA is proposing a 3% discount from all their labor rates.
53	Describe any quantity or volume discounts or rebate programs that you offer.	There are no standard quantity or volume discounts as each service job is different.
54	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Related services labor rates will also be discounted at the same rate as the contract discount. Items invoiced which are considered "open market" will be invoiced at cost plus 20%.
55	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like inspection, installation, set up, mandatory training, licensing fees, or administrative charges. Identify any parties that impose such costs and their relationship to the Proposer.	SCA will charge for Water used in the providing of services pursuant to local water costs, if customer does not provide it.. SCA will charge for disposal fees if the customer elects to have them transport and dispose of debris collect at a pass through price (weight ticket substantiated). Equipment mobilization and fuel may also be required based on customer location. SCA will quote these costs prior to any Member issuing a Purchase Order. SCA is the only party that would charge any of these fees. No third-parties will be billing these fees to any Member.
56	If freight, delivery, or shipping is an additional cost to the Sourcwell participating entity, describe in detail the complete freight, shipping, and delivery program.	If SCA locations are within the member service area, there will be no mobilization charges. If the Member location is beyond the SCA regular service area, freight charges may apply. These charges will be disclosed at the quoting stage so each Member will be fully informed of freight charges prior to issuing a Purchase Order.
57	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Please see answer above. Any freight or mobilization fees are not profit making center for SCA. Costs will be at a pass through price.
58	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Not applicable for a service provider.

Table 12: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
59	c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.	SCA recognizes the value of the national volume this contract can offer and has discounted their prices accordingly.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *
60	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcwell. This process includes ensuring that Sourcwell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcwell.	<p>Due to the unique nature of SCA's contract representation, SCA builds in an automatic audit process. DuCo, LLC, being the Contract Administrator and being involved in the Sourcwell quotation process, allows for this self-audit process. SCA will not have to rely on multiple report locations for an accurate accounting of sales. DuCo will have the ability to account for every sale at time of order. There will be no after-the-fact gathering of information required. DuCo will collaborate with the Government and Bid Contract's Manager on every quotation for the Sourcwell Member under the contract guidelines, terms and conditions. Every Sourcwell Member quotation delineates the Sourcwell Contract Number. When a Purchase Order is received, SCA will require the Purchase Order to reference the contract number. The Purchase Order will be copied to DuCo. This process makes it clear for all personnel to recognize that it is a Sourcwell Contract Sale. The sale, when received, is booked and accounted for on a Sourcwell sales spreadsheet. This makes the end of quarter reporting complete and on time.</p> <p>As a secondary check, when SCA receives a payment for a complete job, SCA will verify the contract used in the purchase. This ensures the correct accounting for the sale on a second level.</p>
61	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	<p>SCA values the ability to service Sourcwell Members with their services. In order for SCA to ensure they are providing a product that Sourcwell Members want, SCA will be evaluating the sales, Quarterly and Annually, to ensure growth. SCA will respond accordingly to specific regional performance through sales training as well as participation in Sourcwell training classes.</p> <p>SCA is expected to increase their sales each year. SCA operates with an annual marketing plan to ensure that they maximize their outreach to potential customers, including Sourcwell Members in order to achieve their goal.</p>
62	Identify a proposed administrative fee that you will pay to Sourcwell for facilitating, managing, and promoting the Sourcwell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	SCA will pay a fee of 1% for services performed. The 1% will not be calculated on costs such as water used, mobilization if applicable, and dump fees which are pass through prices.

Table 15: Industry Specific Questions

Line Item	Question	Response *
69	Describe your staffing recruitment, selection, and retention capabilities for participating entities at various stages of facilities maintenance or management services outsourcing (initial implementation, provider transition, hybrid service model, etc.)	SCA takes a structured and standardized approach to recruiting, candidate selection and employee retention to ensure they have a ready flow of qualified, trained employees to perform at the highest levels for their customers. Their recruiters deploy a wide variety of in-person and automated techniques (community outreach, AI pre-screening programs, skill-based assessments to name a few) to continuously source applicants and fill their pipeline through the most challenging talent acquisition times. SCA maintains robust screening and on-boarding processes to ensure compliance with DOT and other regulations, while ensuring the candidate experience is a positive and interactive one. Once employed, SCA engages their employees in a wide variety of ways to continuously monitor job satisfaction, ensuring they identify and address any concerns early. SCA's goal is to continuously improve retention and satisfaction of their workforce through clear communications, promotional opportunities, and a well-rounded benefit and pay program.
70	Describe your process for development of participating entity statements of work, service levels, quality control plans, and performance standards (as applicable).	SCA has extensive experience working with municipalities and other entities in creating custom statements of work, service levels, quality control plans, and performance standards. Our Regional Sales Managers will work with participating entities personnel to educate and discuss a thorough work scope and quality control plan to ensure expectations are being met for all facets of the project(s). A wide range of options will be discussed so entities will know all the available options to them and they will be able to pick a service level plan that is tailored to their needs based on their requirements. From a quality control and performance perspective, SCA's proprietary VSS technology allows customers to log into a custom cloud-based portal to visually see real-time and historical sweeping cycle data. Information can be easily exported for billing verification and reporting showing streets and highways are being swept just as expected. Sweeping contracts can involve tens to hundreds to thousands of miles of roadways which can create challenges for inspectors to monitor and inspect. VSS solves this issue by providing real time and historical data such as location, miles swept, speed, and actual sweeping time.
71	Describe technology and software applications used for recordkeeping and reporting, and identify the ability to integrate with participating entity technology or software applications, as applicable.	VERIFIED SWEEPING SERVICE® SCA is the only sweeping company to offer the proprietary Verified Sweeping Service® (VSS). Their proven state-of-the-art VSS portal allows their customers to confirm that specific Geo-fenced areas (contracted segment of parking lots/roads/highways) have been swept, minimizing the use of a human inspector, saving on costs. Sourcewell entities will have visibility into our active contract and will be able to view agreed to Geo-fence boundaries, service parameters (max speed, min broom time, etc.) and a history of work-order completions. Our VSS portal is also available in desktop and mobile devices to allow for convenient access at any time to view predetermined performance metrics, real-time execution progress, and historical perspectives of SCA's services. See attached information for more information.
72	Describe any procedures related to supplier-provided equipment, products, and supplies, and the ability to meet participating entity requirements (cost, inventory, sustainability, etc.).	SCA has preferred vendor status relationships with manufacturers such as Nitehawk (parking lot sweepers) and Schwarze Industries (street sweepers), where they get exceptional service and vehicle availability for any vehicle purchases. This allows SCA to increase their fleet size and mobilize equipment for a new contract faster than anyone else in the industry. SCA also has similar deals with Continental Tires for maintenance of their existing fleet. These relationships translate into lower costs for acquiring and maintaining equipment which allows for fleet expansion and sustainable coverage for Sourcewell members.
73	Describe any procedures related to participating entity-provided or supplier-acquired equipment, products, and supplies.	With the preferred supplier status relationships established, SCA receives priority when in need of new equipment, parts, and factory service. This allows SCA to increase their fleet size, keeps their equipment running and ready for superior response and service to their customers. SCA belongs to two (2) group purchasing organizations, Coretrust Procurement Group (office supplies, shipping, etc.) and Procurement Analytics (industrial parts for inventory) to allow SCA to team up with other companies to get volume discounts.

Documents

Ensure your submission document(s) conforms to the following:

- Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.
- Documents should NOT have a security password, as Sourcewell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcewell.
- Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.
- If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

Addenda, Terms and Conditions

PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
6. If awarded a contract, the Proposer will provide to Sourcwell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcwell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcwell Members under an awarded Contract.
9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
10. The Proposer understands that Sourcwell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:
 1. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: <https://www.treasury.gov/ofac/downloads/sdnlist.pdf>;
 2. Included on the government-wide exclusions lists in the United States System for Award Management found at: <https://sam.gov/SAM/>; or
 3. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - M.J. DuBois, Contract Administrator, Sweep America Intermediate Holdings LLC

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.

**AMENDMENT #1
TO
CONTRACT #062421-SWP**

THIS AMENDMENT is by and between **Sourcewell** and **Sweep America Intermediate Holdings, LLC** (Vendor).

Vendor was awarded a Sourcewell Contract for Facilities Maintenance Services effective August 5, 2021, through August 8, 2025, relating to the provision of services by Vendor to Sourcewell and its Members (Original Agreement).

The parties agree that certain terms within the Original Agreement will be updated and amended and only to the extent as hereunder provided.

IN CONSIDERATION OF the mutual covenants and agreements described in this Amendment, the parties agree as follows:

1. This Amendment is effective upon the date of the last signature below.
2. Section 18. Insurance, Subsection A. Requirements, Item 5. Network Security and Privacy Liability Insurance of the Original Agreement is modified to reduce the minimum limits required to \$1,000,000 per occurrence and annual aggregate.

Except as amended by this Amendment, the Original Agreement remains in full force and effect.
