Line Item	Question	Response *
-----------	----------	------------

10	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	<p>LION makes the gear emergency service providers, civilian responders and militaries need to stay safe in the line of duty. We got our start at the end of the 19th century as a dry goods store in Dayton, Ohio. By 1941, we had received a commendation from Army Air Force Commanding General "Hap" Arnold, saluting the company for "outstanding services rendered to your government" after supplying the Army Air Force with electrically heated flying suits during World War II. Over the next two decades, we opened regional warehouses and had started operating in the firefighter station uniform market.</p> <p>In 1970, we moved into the firefighter turnout business – and we have never looked back. We actually coined the term "StationWear" and were the first company to develop digital training technology for the firefighting market. Today, we continue to deliver innovative, patented technology to the fire service market. We have a dedicated research and development staff that works with fire departments to generate (and evaluate) new product ideas. Real end users collaborate with us on wear trials and focus groups so we can deliver solutions that work for actual first responders like you.</p> <p>While remaining a family business, we have the organizational and financial resources to execute some of the largest uniform, personal equipment management, and training projects in the world, as well as the flexibility to tailor them to our customers' expectations. Our solutions are not "cookie cutter" ones. They are as individual and unique as your organization – and they are advanced. LION is the only company in the world in our industry with dedicated staff working on fundamental research, not gimmicks.</p>	*

If applicable, is your dealer network independent or company owned?</p> <p>b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?</p>	<p>Manufacturer/Service Provider</p> <p>LION sells through Distribution. Distribution Sales Representatives are employees of the Distribution Partner. Service Technicians are employees of LION.</p>	*
