ORDERING INSTRUCTIONS

We successfully employ the following purchasing and installation models for our contract members.

- * All purchase orders and quotes should be itemized so contract rates for Product and Services can be easily verified.
- * The agreement name must be noted on all purchase orders.

*** LOCAL DEALERS - DEALER ASSISTED PURCHASING:**

Purchase products through local dealers. The members' purchase order will be issued in the name of the selected local dealer. The local dealer will be the point of contact for quotes, take-offs, logistics, and invoicing.

Interface will make contract pricing available to local dealers. All local dealers that support the Interface brand can access this agreement to support our contract members. A list of dealers is available upon request.

*** DIRECT PURCHASE FROM THE MANUFACTURER:**

Members and Local Dealers/GC's may purchase products directly from Interface.

- Find a Representative in your area: <https://shop.interface.com/US/en-US/rep/>

Interface Americas, Inc.

1503 Orchard Hill Road
LaGrange, GA 30240
Fed ID: 58-2132517

*** Interface Modular Carpet and LVT Product Source:**

- Tel: (800) 634-6032
- Order Desk Email: Orders@Interface.com

*** Interface Rubber Flooring Product Source:**

- Tel: (800) 332-6672 Option 1
- Order Desk Email: Orders@nora.com

*** Interface Manufacturer Turn-Key (material and installation)**

- Quote Request Email: Contract.Services@Interface.com

CONTRACT PRICING AND PAYMENT GUIDE

Product Offering: All Interface branded modular carpet, LVT and rubber flooring is offered under this agreement.

Product Pricing Structure: Contract pricing include Product cost only. Sales tax, shipping, and installation is not included. Sales or service taxes imposed on the dealer / contractor will be charged to the contract member for reimbursement

Freight / Shipping Terms: FOB Destination, prepaid and added to the invoice. Freight charges to be disclosed at the time of order.

Member Payment Terms: Payment for Product is expected Net 30 Days according to the terms of the agreement, and payment for labor is due upon installation completion. When installation is required, Interface and local dealers may invoice separately for the flooring Products.

Open Credit Account Terms: All contract members or dealers purchasing on behalf of the member desiring open credit with Interface will be required to supply a signed credit application prior to order submittal. A credit line will be established at the sole discretion of Interface's Credit Department. Open credit account terms for dealers sourcing material from Interface is Net 30. If the customer does not qualify for open credit, 100% payment is due before the material is shipped.

California AB2398 Carpet Stewardship Assessment Fee: Soft surface product pricing does not include the California AB2398 Carpet Stewardship Assessment Fee. This fee will appear as a separate line item on invoices for soft surface products shipped to California locations.

Installation and Sundry Item Notes: The contract installation rates and sundry item prices contained in this agreement are guaranteed through the Interface turn-key division, our in-house project management group.
Tel: (770) 975-4829
Email: Contract.Services@Interface.com

Local dealers that support the Interface brand are authorized to utilize these contract approved labor rates as a guide. Local dealer quotes including labor will be considered contract labor if these rates are utilized. Local dealer installation rates and sundry items may vary outside of these contract proposed rates, and would then be considered an open market labor quote on a job by job basis.

****Local dealers that support the Interface brand are authorized to utilize these contract approved labor rates as a guide. Local dealer quotes including labor will be considered contract labor if these rates are utilized. Local dealer installation rates may vary outside of these contract proposed rates, and would then be considered an open market labor quote on a job by job basis.**

Installation shall be in accordance with Interface's instructions and the Carpet and Rug Institute (CRI) Standards for Installation of Textile Floorcovering Materials (104 for Commercial/105 for Residential).

Installation rates are based on an open, empty office/ dormitory/quarters space on a "clean floor." A "clean floor" is one where the condition is appropriate to accept carpet with no additional preparation other than possibly sweeping clean.

All installation work is guaranteed for one year for any defect in workmanship and materials used to install the carpet.

The Interface branded flooring, adhesive and accessories may be invoiced seperately from installation services and sundry items.

Interface ReEntry® Reclamation & Recycling Program Guidelines

ReEntry allows us to reclaim the products we've created and use them as food for new ones.

By sending us your post-consumer Interface carpet tile and Sound Choice™ LVT, you lower your environmental footprint and your disposal costs, and make it possible for us to offer you products with increasingly less virgin raw materials.

How It Works

We'll take back all post-consumer Interface carpet tile and LVT products installed with a releasable installation system. This includes Interface carpet tile, as well as Interface Sound Choice LVT.

Processing is free for approved post-consumer Interface products from the list above. We'll always pay the freight on FULL TRUCKLOADS of Interface products, but freight charges may apply for smaller loads unless local consolidation can be arranged.

A full truckload of carpet tile is 3,200 - 4,400 SY or 30,000 - 42,000 lbs. On average 1 SY of modular carpet equals 9.5 pounds. Full truckload weights may vary for LVT.

If new Interface flooring is being installed, we'll also pay for a drop trailer for full truckloads IF one is available in your location. Trailers must be turned once a month or a \$125 weekly fee will apply.

How To Get Started

1. Contact ReEntry 1.888.733.6873 email reentry@Interface.com to arrange pickup of material.
2. Be sure to have the following information:
 - Square yardage or square feet
 - Carpet tile and/or LVT sample
 - Location
3. A ReEntry Reclamation Consultant will guide you through the reclamation process.

Note: Flooring contaminated with asbestos or any other hazardous material from any source, including cutback adhesives and Vinyl Asbestos Tile, cannot be reclaimed. If you are unsure about your job, please test carpet swatches for hazardous material before removal to prevent exposure. For carpet tile installed prior to 2003, please contact ReEntry at the number above.

Interface ReEntry® Specification

Scope of Work

Owner specifies that post-consumer Interface carpet tile and Sound Choice™ LVT installed with a releasable installation system be recycled in the best possible manner. A reclamation plan should be submitted. Acceptable methods consist of:

1. Recycling is turning waste materials into new materials of the same value, such as carpet tile into carpet tile.
2. Repurposing allows a product to be reused by an organization or individual. Interface can assist in facilitating the donation of used carpet tile and Sound Choice LVT to charities and other non-profit organizations.

Description of Services

Collection (Labor): Interface carpet tile and Sound Choice LVT installed with a releasable installation system must be removed from the existing installation and prepared for pickup based on the type of material and reclamation option selected. Specifications for removal from the jobsite are as stated:

A. Removal of Carpet Tile for Recycling

1. Approved carpet tile must be palletized and secured for shipping, i.e. shrink wrap, banding, strapping. Pallets must be a minimum size of 40"x40" and stacked approximately 54" high. Pallets cannot be double stacked on the trailer.
2. Tile must be kept dry and free of any moisture damage.
3. Trailers must be clean of any non-carpet debris, i.e. construction waste, cardboard boxes, trash.
4. Material does not contain mold or mildew. Wet carpet will not be accepted.
5. Material does not contain vinyl asbestos or adhesives containing asbestos.
6. Material must have been installed with releasable adhesive or Interface's TacTiles™ carpet tile installation system.

B. Removal of Interface Sound Choice LVT for Recycling

1. Interface Sound Choice LVT tile must be palletized and secured for shipping. Planks must be stacked approximately 2' high north-south direction, alternate 2' high east-west direction. 50 cm LVT can be stacked the same as carpet tile (section A). Pallets must be a minimum size of 40" x 40" and stacked approximately 48" high. Pallets must be shrink wrapped and banded. Pallets cannot be double stacked on trailer.
2. LVT must be kept dry and free of any moisture damage. Wet LVT will not be accepted.
3. Material does not contain mold or mildew.
4. Material does not contain vinyl asbestos or adhesives containing asbestos.
5. Material must have been installed with releasable adhesive.

Interface ReEntry® Specification

C. Repurposing of Carpet Material

1. Approval of the material for possible donation will be determined at the jobsite or upon tile submittal.
2. Material will need to be palletized and shrink wrapped. Minimum pallet size is 40"x40".

Material Loading: Shipper must load material on the carrier, drivers will not assist. Notification must be given prior to quote submittal of any special requirements such as liftgate, small trucks, etc. Additional fees will apply.

Processing: All possible recycling options must be clearly presented and/or submitted on paper prior to job start. The accepted reclamation option must be approved in writing by the party requesting the services and Interface.

Certification: A certificate will be furnished upon request verifying the reclamation and the pounds of material diverted from the landfill.

Interface, Inc. reserves the right to refuse any load or impose penalties for loads outside these guidelines.

A charge of *\$0.25 cents per pound* may be levied to any Interface customer for non-compliance with the above listed terms and conditions.

Less than truckload quantities will be scheduled depending on freight consolidation.

- Minimum truckload – 30,000 lbs (3500 SY tile)
- Maximum truckload – 42,000 lbs (4200 SY tile)

As per the ReEntry Matrix, there is no charge for full truckloads of Interface carpet tile and Sound Choice LVT installed with a releasable installation system. Less than truckload, rates will apply unless consolidation is available in the area.

Please contact ReEntry @ 1.888.733.6873 email reentry@interface.com to arrange pickup of material.
