Exterior Trim Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Inside Corner Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Outside Corner Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Closed Base Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	

Slope Top Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Slip Joint Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Vertical Angle Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Bench Top	9.5" X 1.5" Mixed Hardwood	Generally used in locker room situations.	<a href="http://www.debourgh.com/benches.aspx">http://www.debourgh.com/benches.aspx</a>	
ADA Bench Assembly	24" X 48" Mixed hardwood with (4) Heavy Duty Pedestals	Generally used in locker room situations.	<a href="http://www.debourgh.com/benches.aspx">http://www.debourgh.com/benches.aspx</a>	
Bench Pedestal	Bench Pedestal	Supports bench tops.	<a href="http://www.debourgh.com/benches.aspx">http://www.debourgh.com/benches.aspx</a>	
Bench Gusset	Bench Gusset	Supports bench tops with a wall mount feature.	<a href="http://www.debourgh.com/benches.aspx">http://www.debourgh.com/benches.aspx</a>	
Boxed End Panel	18 Ga cold rolled steel, powder coated	To create a finished hole-free look at the end of a locker run.	<a href="http://www.debourgh.com/FinishingDetails.aspx">http://www.debourgh.com/FinishingDetails.aspx</a>	
Master Lock 1690 Combination	Combination Built-In Lock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1652 Combination	Combination Built-In Lock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1670 Combination	Combination Built-In Lock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1630 Combination	Combination Built-In Lock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1502 Padlock	Combination Padlock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1525 Padlock	Combination Padlock	Device to securely lock locker door.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Master Lock 1654 Lock Extension	Lock Extension	On special door situations, a lock extension extends the tang of the lock to ensure a secure latch.	<a href="http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/">http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/</a>	
Electro-Galvanized Steel Per Locker Frame	Additional charge per locker frame when the locker specified to be made from Electro Galvanized steel	Where conditions make corrosion more likely		
Electro-Galvanized Steel Per Pound	Add for Electro Galvanized steel per pound when parts of a locker is specified to be made from Electro Galvanized steel.	Where conditions make corrosion more likely		
Installation Addition for Prevailing Wage Markets	Add per locker frame for installation in high labor cost major markets.	Major markets, prevailing wage projects, and where union labor is required.		
Locker Removal	Locker removal per frame.	Where old lockers must be removed as a part of a replacement project.		
Slope Tops	Slope Top is welded to locker. Additional pricing over flat tops	For use in areas where customer does not wish there to be a high probability of items being placed on top of locker. Used for clean, finished look.		
Closed Base	Base is welded to bottom of locker so that locker does not rest on ground.	For use in areas where a concrete base does not exist.		
Partial Truck Add	Additional cost incurred for shipping a partial truck rather than full order.	Used when customer requires a small load to deliver that does not use a full truck. Also used when customer wishes to use another common carrier or special freight.		

**Pricing**

All pricing shown on the List Pricing tab is our list pricing. Discount is calculated per project based on total list price of a Purchase Order.	<a href="http://www.debourgh.com/ProductsOptions.aspx">http://www.debourgh.com/ProductsOptions.aspx</a>	<a href="http://www.debourgh.com/PaintOptions.aspx">http://www.debourgh.com/PaintOptions.aspx</a>
The "List Pricing" tab shows all available size combinations offered and corresponding list price per frame/column.		
Pricing Includes Product, Shipping, Installation and Dealer Project Management fees.		
A web page link in column D of the "List Pricing" tab or the "Net Pricing" tab can be used to get a general sense of the product line considered. For exact representation of a given set of sizes and options - call DeBourgh at 1-800-328-8829 or email request to sales@debourgh.com		
The discount is step free function increasing continuously as total list price increases.		
The price shown includes all DeBourgh Standard Options for the customer to choose from. These include: Four types of ventilation, four styles of latching, 10-25 color options based on product line, factory installed slope top, factory installed closed base.		
The price includes consulting by a DeBourgh representative helping the member to choose the correct product and to produce an accurate count of storage need based on facility layout.		
<b>DeBourgh encourages members to request DeBourgh assistance in defining/choosing the final product and options. Pricing may/will in many cases be adjusted favorably for the member when an exact detailed quote can be made based on details learned from a consultation with a DeBourgh representative.</b>
