Choose from a litany of options including integrated power, laminate, wood, or phenolic textures, stainless steel or aluminum accents, and	Top-end athletic facilities for all sports, recreation areas, field houses.	https://www.debourgh.com/athletic-lockers/flex-elite/	https://www.debourgh.com/wp-content/uploads/2019/09/FLEX-Elite-Lockers-Section-10505.pdf
Volta	Designed to integrate technology and access control to the locker level. Make lockers a part of an existing security system with Volta. Open up all lockers for inspection remotely or lock them all	All types of secure storage can be integrated with access control via Volta.	https://www.debourgh.com/intelligent-lockers/access-control-lockers/	https://www.debourgh.com/wp-content/uploads/2019/08/VOLTA-Aperio-Lockers-Section-10505.pdf
Industrial Storage Cabinet	For heavy duty applications such as maintenance facilities.	Maintenance areas, warehouses, gear storage.	https://www.debourgh.com/industrial-lockers/	
Miscellaneous Filler	Miscellaneous metal filler panels for a finished look used at quoting time.	In both free-standing and recessed units, filler panels are a necessity for a finished and secure look.	http://www.debourgh.com/FinishingDetails.aspx	

Flat Corner Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a clean finish in corner situations with no sloped tops.	http://www.debourgh.com/FinishingDetails.aspx	
Slope Corner Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a clean finish in corner situations with sloped tops.	http://www.debourgh.com/FinishingDetails.aspx	
Flat Top Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a clean finish on top of lockers without sloped tops.	http://www.debourgh.com/FinishingDetails.aspx	
Recessed Trim Vertical	Standard 18 Ga cold rolled steel, powder coated.	Used to create a clean finish on the vertical sides of lockers that are recessed into a wall.	http://www.debourgh.com/FinishingDetails.aspx	
Recessed Trim Horizontal	Standard 18 Ga cold rolled steel, powder coated.	Used to create a clean finish on top of lockers that are recessed into a wall.	http://www.debourgh.com/FinishingDetails.aspx	
Interior Splice Plate	Standard 18 Ga cold rolled steel, powder coated.	Plate used to internally connect two pieces of filler.	http://www.debourgh.com/FinishingDetails.aspx	
Exterior Trim Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Inside Corner Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Outside Corner Cap	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Closed Base Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Slope Top Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Slip Joint Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Vertical Angle Filler	Standard 18 Ga cold rolled steel, powder coated.	Used to create a finished look after installation.	http://www.debourgh.com/FinishingDetails.aspx	
Bench Top	9.5" X 1.5" Mixed Hardwood	Generally used in locker room situations.	http://www.debourgh.com/benches.aspx	
ADA Bench Assembly	24" X 48" Mixed hardwood with (4) Heavy Duty Pedestals	Generally used in locker room situations.	http://www.debourgh.com/benches.aspx	
Bench Pedestal	Bench Pedestal	Supports bench tops.	http://www.debourgh.com/benches.aspx	
Bench Gusset	Bench Gusset	Supports bench tops with a wall mount feature.	http://www.debourgh.com/benches.aspx	
Boxed End Panel	18 Ga cold rolled steel, powder coated	To create a finished hole-free look at the end of a locker run.	http://www.debourgh.com/FinishingDetails.aspx	
Master Lock 1690 Combination	Combination Built-In Lock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1652 Combination	Combination Built-In Lock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1670 Combination	Combination Built-In Lock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1630 Combination	Combination Built-In Lock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1502 Padlock	Combination Padlock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1525 Padlock	Combination Padlock	Device to securely lock locker door.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Master Lock 1654 Lock Extension	Lock Extension	On special door situations, a lock extension extends the tang of the lock to ensure a secure latch.	http://www.debourgh.com/blog/locker-locks-what-you-need-to-know/	
Electro-Galvanized Steel Per Locker Frame	Additional charge per locker frame when the locker specified to be made from Electro Galvanized steel	Where conditions make corrosion more likely		
Electro-Galvanized Steel Per Pound	Add for Electro Galvanized steel per pound when parts of a locker is specified to be made from Electro Galvanized steel.	Where conditions make corrosion more likely		
Installation Addition for Prevailing Wage Markets	Add per locker frame for installation in high labor cost major markets.	Major markets, prevailing wage projects, and where union labor is required.		
Locker Removal	Locker removal per frame.	Where old lockers must be removed as a part of a replacement project.		
Slope Tops	Slope Top is welded to locker. Additional pricing over flat tops	For use in areas where customer does not wish there to be a high probability of items being placed on top of locker. Used for clean, finished look.		
Closed Base	Base is welded to bottom of locker so that locker does not rest on ground.	For use in areas where a concrete base does not exist.		
Partial Truck Add	Additional cost incurred for shipping a partial truck rather than full order.	Used when customer requires a small load to deliver that does not use a full truck. Also used when customer wishes to use another common carrier or special freight.		

Pricing

All pricing shown on the List Pricing tab is our list pricing. Discount is calculated per project based on total list price of a Purchase Order.

<http://www.debourgh.com/ProductsOptions.aspx> <http://www.debourgh.com/PaintOptions.aspx>

The "List Pricing" tab shows all available size combinations offered and corresponding list price per frame/column.

Pricing Includes Product, Shipping, Installation and Dealer Project Management fees.

A web page link in column D of the "List Pricing" tab or the "Net Pricing" tab can be used to get a general sense of the product line considered. For exact representation of a given set of sizes and options - call DeBourgh at 1-800-328-8829 or email request to sales@debourgh.com

The discount is step free function increasing continuously as total list price increases.

The price shown includes all DeBourgh Standard Options for the customer to choose from. These include: Four types of ventilation, four styles of latching, 10-25 color options based on product line, factory installed slope top, factory installed closed base.

The price includes consulting by a DeBourgh representative helping the member to choose the correct product and to produce an accurate count of storage need based on facility layout.

DeBourgh encourages members to request DeBourgh assistance in defining/choosing the final product and options. Pricing may/will in many cases be adjusted favorably for the member when an exact detailed quote can be made based on details learned from a consultation with a DeBourgh representative.
