PSD Citywide would provide Sourcewell participating agencies the following discounts:

- Annual Maintenance and Support: **20% discount** off list price for the first year
- Professional Services: **5% discount** off list price

Pricing in the local currency of the participating agency (USD or CAD).

Pricing for professional services can range from \$20,000 to \$500,000+ depending on the scope of the implementation. Scoping is done on a customer-by-customer basis with consideration for the client's population, modules, asset categories, and departments to be implemented.

Pricing Tables

Pricing tables can be found below for each of the categories we are submitting a proposal for. Some of the tables are repeated in multiple categories as our modules are multifaceted and can help our clients deal with a variety of day-to-day and planned work requirements.
