

Community Leasing Partners: The Difference is Clear

A Proven Leader

Community Leasing Partners is a division of Community First National Bank in Manhattan, Kansas, specializing in tax-exempt, municipal lease purchase financing. Our company retains key personnel, with more than 100 years of combined industry specific experience, in addition to a full staff of 100+ banking professionals.

Our focus is on municipal finance, and throughout the years, we have evolved into what we are today – **a leader in the municipal finance industry.**

What sets CLP apart?

- » **Bank-direct.** Direct funding means faster response, flexible solutions, and streamlined approvals.
- » **Creative solutions.** We will customize payment structures tailored to your budget, needs, and obstacles.
- » **Financing available for all budgets.** From \$50,000 to \$10 Billion budgets, CLP can finance essential needs nationwide.
- » **Competitive interest rates.** Thirty years of municipal financing experience plus Sourcewell's pre-set pricing, CLP brings you the best rates and strongest value.
- » **One point of contact.** From quote to payoff, CLP stays with you through the entire financing process.
- » **Ready to educate.** Financing guides, webinars, and expert feedback will help your team navigate financing with confidence.

The choice is **CLEAR** – there is only **ONE Community Leasing Partners**. Find out why we have the best combination of rates, service, and programs in the country. Give us a call today to see how CLP and Sourcewell can help you!
