#### THURSDAY NIGHT FOOTBALL

#### Bills (1-0) at Dolphins (1-0)

TV: 8:15 p.m. EDT Thursday, Amazon Prime

Spread (BetMGM): Dolphins by 2.5 Bills' keys to victory: Ride Allen. QB Josh Allen had two touchdown passes and two running TDs in the season opener but injured his non-

throwing hand when he landed awkwardly on the final score. However, he was cleared to play. Allen has a 10-2 record including 3,363 yards and 33 TD passes against Miami.

Dolphins' keys to victory: Get the offense going early. QB Tua Tagovailoa had words for his teammates at halftime with the offense struggling against the Jacksonville Jaguars. But all it took was an 80-yard TD pass to Tyreek Hill, and last season's NFL No. 1 offense came alive. The defense gave up big plays in the first half but settled down and made stops.

Matchup to watch: Bills' Allen vs. Dolphins pass defense. Miami added former Bills safety Jordan Poyer. Cornerback Jalen Ramsey has been slowed by a hamstring injury. Containing Allen is always a concern and the Dolphins are still missing Bradley Chubb and hoping fellow edge rusher Jaelan Phillips continues to improve from his Achilles injury.
