

Motive Technologies #102924-MTV

Pricing for contract #102924-MTV offers Sourcewell participating agencies the following discounts:

- 9% off the commercial list price of our products and services.
- Volume-based discounts based on the scale of the purchase.
- For participating agencies signing up for our Spend Management platform, Motive offers the potential for large fuel discounts with tier one savings that could average 20+ cents per gallon at more than 4,000 locations, including Love's and TA. We may also offer a basis point rebate on all spend, fixed discounts at partner locations, or a combination of both, depending on the agency's spend volume and fueling patterns.
