

Sourcewell Contract Pricing

The breakdown for pricing is as follows:

- | | |
|-------------------------------------|-----------------------|
| 1. Only from STEM Supplies products | 3% off catalog price |
| 2. All other products | 11% off catalog price |

“Only from STEM Supplies” products are designated with a special blue “S” logo in our catalog and on our website:

The following items do not apply for any discount:

- NAO Robotics products
- Ozobot products
- Zumi Car Products
- Rokit Smart Kits
- CoDrone Products

Our published price on products typically changes annually. Rarely does a product or group of products change price more than once during the year due to changes in material costs or other factors. In those situations, the Sourcewell Contract discount would be applied to the most current published price, found on our website.
