

Tradesmen Internation Sourcewell Pricing 3/5/2025 ark-up Rate 1.56 Pricing in in US Dollars

Costs of a specific employee vary based on location, assignment, skill level, knowledge, experience and market conditions.

The hourly rate are inclusive of numerous components such as: FICA, FUTA, SUTA, Workers Compensaton, & other costs.

These Labor rates are based on (8) hour workdays and overtime after (40) hours.

Overtime is subject to "as needed" basis according to customer workflow at 1.45 the regular time rate.

These rates are for standard local team members, if travel people are needed due to unusual circumstances, there are additional costs.
