COMMENT AND REVIEW
to the
REQUEST FOR PROPOSAL (RFP) #010826
Entitled

IT Managed Workforce and IT Staff Augmentation Solutions

The following advertisement was placed November 20, 2025 on the Sourcewell website www.sourcewell-mn.gov, Sourcewell Procurement Portal https://proportal.sourcewell-mn.gov, Biddingo, Merx, PublicPurchase.com, and The New York State Contract Reporter www.nyscr.ny.gov; November 20 and November 26, 2025 in *The Indianapolis Star* and *The Oklahoman*; November 21, 2025 in *Deseret News*, Oregon's *Daily Journal of Commerce*, South Carolina's *The State*; November 21, 2025 and November 28, 2025 in *USA Today* and *The Indiana Business Journal*; and November 23, 2025 in *The Salt Lake Tribune*:

> *Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for IT Managed Workforce and Staff Augmentation Solutions to result in a procurement solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [https://proportal.sourcewell-mn.gov]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than January 8, 2026, at 4:30 p.m. Central Time, and late proposals will not be considered.*

The solicitation process was conducted through the Sourcewell Procurement Portal. The following parties expressed interest in the solicitation by registering for this opportunity within the portal:

The findings of the Proposal Evaluation Committee are summarized as follows:

22nd Century Technologies, Inc., established in 1997, has more than 28 years of experience and is headquartered in McLean, Virginia. The company delivers services across all 50 U.S. states and multiple Canadian provinces through a broad regional presence. Its primary solutions include IT Managed Workforce, IT Staff Augmentation, IT consulting, workforce management, application development, project management, and service desk support. The proposer offers a substantial discount from GSA-approved pricing, plus an additional discount on purchases exceeding $1 million.

Acro Service Corp., founded in 1982 with more than four decades in business, is headquartered in Livonia, Michigan. The company operates across all 50 U.S. states and territories and all Canadian provinces, with additional international offices. Acro provides IT Managed Workforce, MSP, IT staff augmentation, and related workforce solutions. Acro offers volume-based MSP rebates and staffing supplier rebates.

American Unit, Inc. is a Plano, Texas-based workforce and IT staff augmentation provider with more than 22 years of experience. The company has delivered services across 38 U.S. states and does not currently serve Canada. Its solutions include temporary, project-based, long-term, and direct-hire IT staffing across application development, cloud, cybersecurity, data, infrastructure, and project management. American Unit offers Sourcewell participating entities a discount from standard/list labor rates, with additional volume and long-term engagement discounts available.

BiSOFT Consultancy Services LLC, established in 2015, is a Washington-based consulting and technical services company headquartered in Seattle. The company has performed IT staffing work across Florida, North Carolina, Washington, California, Texas, and Virginia and currently serves the United States only. BiSOFT provides IT staff augmentation, including temporary, project-based, long-term, contract-to-hire, and specialized IT resources. BiSOFT offers Sourcewell pricing discounts from standard commercial labor rates, with additional volume-based pricing flexibility.

BuzzClan, LLC, founded in 2013 with more than 12 years of experience, is an IT workforce solutions provider headquartered in Frisco, Texas. The company reports delivering services across 20+ U.S. states and 6+ Canadian provinces. Its primary offerings include IT Staff Augmentation and IT Managed Workforce Solutions covering application development, cloud, cybersecurity, data, infrastructure, ERP, project management, and workforce governance. BuzzClan offers a prompt payment discount and a volume discount on task orders exceeding a certain size.

CDW Government LLC, established in 1998, is headquartered in Vernon Hills, Illinois, and supports customers throughout the United States and Canada, with international capabilities spanning more than 150 countries. The company provides IT managed workforce and staff augmentation solutions, including strategic, temporary, contract-to-hire, full-time, workforce management, consulting, and specialized technical staffing. CDW offers not-to-exceed service rates.

Cogent Infotech Corporation, incorporated in 2003, has over two decades of experience and is headquartered in Pittsburgh, Pennsylvania. The company reports providing services across all 50 U.S. states, with no current Canadian market share. Cogent provides IT staff augmentation, employer-of-record, payroll, temporary, temp-

Docusign Envelope ID: 03748098-AD52-8124-82B2-B39C138B4DB2

to-hire, direct-hire, and executive search services. Cogent is offering a base discount, with volume discounts based on spending levels.

Compunnel Software Group Inc. has delivered workforce and technology talent solutions for 31 years and is headquartered in Princeton, New Jersey. The company reports service coverage across all 50 U.S. states and Canadian provinces, with documented delivery in 42 states and six provinces. Compunnel provides IT staff augmentation, including temporary, long-term, contract-to-hire, project-based, and direct-hire staffing across software, infrastructure, cloud, data, cybersecurity, and technical support roles. Compunnel is offering a line-item rate discount.

Computer Aid, Inc. (CAI), established in 1981 with 44 years of experience, is a global services firm headquartered in Allentown, Pennsylvania. CAI delivers services throughout the United States and Canada, with public-sector contracts across 27 states. Its primary solutions include IT managed workforce services, managed service provider programs, IT staff augmentation, contingent workforce management, and related technology-enabled services. A unique attribute is CAI's extensive public-sector specialization, with 91% of sales derived from that sector. CAI offers volume-based discounts and rebate programs; specific discounts are established with participating entities based on anticipated engagement volumes.

Computer Aid, Inc. (CAI), established in 1981 with 44 years of experience, is a global services firm headquartered in Allentown, Pennsylvania. CAI delivers services throughout the United States and Canada, with public-sector contracts across 27 states. Its primary solutions include IT managed workforce services, managed service provider programs, IT staff augmentation, contingent workforce management, and related technology-enabled services. CAI offers volume-based discounts and rebate programs; specific discounts are established with participating entities based on anticipated engagement volumes.

Compu-Vision Consulting, Inc. (CVC), established in 1998 with more than 27 years of experience, is headquartered in North Brunswick, New Jersey. The firm has delivered services across 27 U.S. states and four Canadian provinces, including Ontario, Quebec, Alberta, and Saskatchewan. CVC provides IT staff augmentation, project-based staffing, direct-hire placement, workforce administration, and IT professional services. CVC offers volume-based discounts and rebate options tied to usage thresholds.

Crystal Data LLC, established in 2008 with more than 17 years of experience, is headquartered in Marlton, New Jersey. The company has performed work across at least 12 U.S. states and reports no current Canadian presence. Crystal Data provides IT staff augmentation, including temporary, project-based, long-term, and direct-hire professionals across development, cybersecurity, data, infrastructure, and IT support roles. Crystal Data offers discounted hourly rates below its usual public-sector rates, with additional volume and long-term engagement discounts potentially available.

DatamanUSA LLC, founded in 2000 with over 25 years of experience, is headquartered in Centennial, Colorado. The company reports providing services across 33 states and Washington, D.C.; current Canadian service experience is unclear. DatamanUSA provides IT staff augmentation, direct-hire, consulting, managed services, cybersecurity, cloud, application development, infrastructure, and workforce solutions, primarily for public-sector organizations. DatamanUSA offers a prompt payment discount for Net 10 terms and a volume discount for 10 or more concurrent placements.

Eight Eleven Group, LLC, doing business as Brooksource, was established in 2000 and has 25 years of public-sector experience. Headquartered in Indianapolis, Indiana, Brooksource has supported consultants across 46 states. The company provides IT and engineering staffing, professional services, workforce transformation,

Docusign Envelope ID: 03748098-AD52-8124-82B2-B39C138B4DB2

Health IT, operations, and IT training. Brooksource offers a discount from standard pricing across Sourcewell roles and services, with additional volume-based rebates and workforce-transformation cost savings potentially available.

Experis US LLC has delivered IT talent solutions since 1968, providing more than five decades of industry experience. Its main office is located in Milwaukee, Wisconsin. Experis serves public-sector and education clients across the United States and Canada, including numerous U.S. states and Canadian provinces. The company specializes in IT staff augmentation, supplying technology professionals across software, cloud, data, AI, cybersecurity, infrastructure, and related disciplines. Experis offers Sourcewell discounted pricing, with additional agency-specific cost-saving opportunities.

GTS Technology Solutions, Inc., established in 1984, has over 40 years of IT experience and is headquartered in Austin, Texas. The company reports sales in North Carolina, Louisiana, California, and Washington, with extensive public-sector work throughout Texas and nationwide service capability. GTS provides IT staff augmentation, including temporary, project-based, long-term, and direct-hire professionals across technical disciplines. GTS offers Sourcewell members a base discount, with additional volume discounts based on engagement requirements.

GuideSoft, Inc. dba Knowledge Services, founded in 1994, has more than 31 years of experience and is headquartered in Indianapolis, Indiana. The company has performed statewide workforce programs across 17 states, including Arizona, Colorado, Indiana, Maine, Michigan, Nevada, Ohio, Tennessee, Utah, and Wisconsin. Knowledge Services provides public-sector IT Managed Workforce, staff augmentation, MSP, and proprietary VMS solutions. Knowledge Services is offering volume-based discounts based on engagement requirements.

Infojini, Inc., established in 2006 with 19+ years of experience, is headquartered in Columbia, Maryland. The company has performed work throughout the United States and Canada, including multiple states and the provinces of British Columbia, Alberta, Nova Scotia, Ontario, and Saskatchewan. Infojini provides IT staff augmentation, temporary and permanent staffing, project-based professional services, and enterprise technology support. Infojini offers a prompt payment discount and a volume discount on task orders exceeding a certain threshold.

Insight Global, LLC, established in 2001 and continuously operating for 24 years, is headquartered in Atlanta, Georgia. The company provides services throughout the United States and Canada, with additional operations and delivery capabilities internationally. Insight Global offers IT staff augmentation, temporary and long-term staffing, contract-to-hire, direct placement, professional services, and customized workforce solutions. Insight Global is offering a discount on hourly rates.

cybersecurity, data, project management, and technical support staffing. Proposed discounts include tenure-based mark-up reductions and rebates based on annual business volume.

Maddisoft LLC, established in 2004 with over 21 years of experience, is headquartered in Houston, Texas. The company reports operations across the United States and internationally, including Canada, Mexico, India, and Europe. Maddisoft provides comprehensive IT staff augmentation, managed services, technology implementation, and consulting solutions across enterprise applications, cloud, cybersecurity, data analytics, infrastructure, and application development. Maddisoft offers a discount on all Sourcewell line items, plus an additional discount for volume purchases.

Momentum, Inc. is a women-owned management consulting firm established in 1998, with its main business office in Camp Hill, Pennsylvania. The firm reports public-sector work in New York, Ohio, Pennsylvania, Maryland, and Oklahoma. Momentum provides IT Staff Augmentation and IT Managed Workforce solutions, including workforce governance, project and program management, and process improvement. Momentum's proposed pricing may be negotiated case-by-case based on engagement requirements.

OST, Inc. is a privately owned technology and workforce solutions provider with over 25 years of experience and a main office in McLean, Virginia. OST has delivered IT workforce services across 26 U.S. states and Washington, D.C. Its primary solutions are IT Managed Workforce and IT Staff Augmentation for public-sector and education organizations. Pricing uses Not-To-Exceed rates with typical transaction-level discounts below list pricing.

Randstad Digital, LLC traces its IT services heritage to 1984, providing more than 40 years of industry experience. Its main business office is in Atlanta, Georgia. The company delivers services throughout all 50 states and Canada, with broader global operations spanning 39 countries. Randstad Digital provides IT staff augmentation, talent services, managed solutions, and technology solutions across cloud, infrastructure, digital engineering, data, AI, and customer experience. Proposed Sourcewell pricing is below Randstad's standard IT staff augmentation pricing, with an additional discount for referred resources.

Rose International, Inc. is an established workforce solutions provider with more than 32 years of experience and its main business office in Chesterfield, Missouri. The company delivers services across all 50 U.S. states and Canada, excluding Quebec. Its primary solutions include IT staff augmentation, professional staffing, managed workforce/MSP services, employer-of-record services, direct sourcing, and recruitment process outsourcing. Rose is offering discounts from their commercial rates, plus volume discounts over specific thresholds.

Spruce Technology, Inc., established in 2006, is an IT professional services and staff augmentation provider headquartered in Clifton, New Jersey. The company has performed work across more than 40 U.S. states, including New York, Florida, Texas, California, Massachusetts, North Carolina, Illinois, and New Jersey, and has international experience in Europe, South America, India, and Asia. Spruce provides IT staffing, system integration, application development, cybersecurity, cloud, data, and AI services. Spruce offers a commercial-list-price discount, plus volume discounts.

Tryfacta, Inc., founded in 1996 with more than 29 years of experience, is headquartered in Pleasanton, California. The company has delivered staffing and workforce solutions across more than 40 U.S. states and supports clients in Canada. Tryfacta provides IT staff augmentation, temporary and direct-hire staffing, workforce management, payroll, recruitment, and related technology services. Tryfacta offers Sourcewell a discount from its DLA JETS approved price list, plus an additional discount on volume purchases exceeding $1 million.

STATEMENT OF COMPLIANCE

As Chief Procurement Officer for Sourcewell, I have reviewed the recommendation of the Deputy Chief Procurement Officer and the accompanying support materials documenting the process followed for RFP #010826 and IT Managed Workforce and IT Staff Augmentation Solutions.

The Evaluation Committee accepted, deemed responsive, evaluated, and recommended proposals for award to the Deputy Chief Procurement Officer. Under authority granted to the Chief Procurement Officer in Sourcewell's bylaws, the recommendations set forth above are approved.

I hereby certify:

1. Sourcewell is a government agency, created and authorized by Minnesota law to provide cooperative procurement master agreements.

2. The procurement process and resulting master agreements have been awarded in compliance with the laws of the State of Minnesota (Minnesota Statutes Chapter 471 and Minnesota Statutes Section 123A.21), and in conformity to Sourcewell's Procurement Policy.

3. The awards listed were made based on the results of the competitive solicitation process.

4. The awards listed were ratified by the Sourcewell Board of Directors on November 17, 2026.

Signed by:
Jeremy Schwartz
