

## Global Environmental Products #062425-GEP

Pricing for contract #062425-GEP offers Sourcewell participating agencies the following discounts:

- 5% discount on list price
- Offers quantity and volume discounts applied to large quantity purchases
- Global Environmental Products will impose a surcharge for tariff/duties and fees as a separate line item on quotes for imported bodies and sweepers entering the United States, including Faun bodies used on the Global V6 and City Jet Models, as well as Rasco machines. The surcharge will range from 1% to 20% and will appear on quotes as "Tariff/Duties Surcharge – X%." This surcharge will remain in effect through December 31, 2026.
