**The findings of the Proposal Evaluation Committee are summarized as follows:**

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that all proposal responses met the scope and mandatory submittal requirements and were evaluated.

RedZone Robotics, Inc. was established in 1987 and has assessed over 100 million feet of sewer line across North America in over 500 cities. They maintain a network of over 100 employees in their sales and service force with a network of 6 authorized resellers to serve all of the United States and Canada. RedZone Robotics offers solid discounts from list price, with volume discounts available for Sourcewell participating entities.

Sweeping Corporation of America, LLC (SCA) was established in 2017 and operates at more than 70 service locations nationwide. SCA has a nationwide sales force strategically distributed across the U.S. and Canada to support the United States and Canada. SCE provides straightforward discounts off all posted rates for Sourcewell participating entities.

For these reasons, the following awards of Sourcewell **Master Agreement #112525** are recommended:

RedZone Robotics, Inc.	#112525-REDZ
Sweeping Corporation of America, LLC	#112525-SWEP
