

## Exclusive Pricing

**All Sourcewell members receive an exclusive 5% discount on all Fire Engineering Training subscription tiers, plus an additional 5% off the Asset Manager tool, powered by Incremental. These savings are automatically applied for eligible members, making it easier and more cost-effective to access the industry's leading training and asset management solutions.**

### **NOTE:**

- All pricing is per user, per year unless otherwise noted.
- Sourcewell members receive a 5% discount off standard list pricing.
- Pricing includes OSHA compliance content across all packages.
- The asset manager tool may be purchased as a standalone product or as an add-on to the Content + LMS Features package.
- Implementation includes a one-time department setup fee and annual maintenance.
