1) Prices do not include equipment offloading, storage/security of equipment, installation, site preparation, demolition/removal/disposal of any existing equipment or debris, permits, or bonds	
2) In order to comply with warranty requirements, equipment must be installed in accordance with specifications by PlayPower factory-certified professional installers	
3) Equipment shall be installed within four (4) weeks of product delivery, unless requested by agency to be delayed	
4) Customer shall receive, unload and inspect goods upon arrival, noting any discrepancies on the Delivery Receipt prior to written acceptance of the product	
5) Customer shall be responsible for providing a clear, level site and for coordinating the scheduling of all deliveries and installation	
6) Site should permit installation equipment access. Purchaser shall be responsible for unknown conditions such as buried utilities, tree stumps, bedrock or other conditions	
7) Equipment installation pricing excludes all site work and landscaping; removal of existing equipment; storage of good prior to installation; and drainage	
8) Building permits, if required, shall be charged at the provider's cost
