to the
REQUEST FOR PROPOSAL (RFP) #061626
Entitled**

Law Enforcement Equipment

The following advertisement was placed April 28, 2026, in and on the Sourcewell website www.sourcewell-mn.gov, Sourcewell Procurement Portal <https://proportal.sourcewell-mn.gov>, Biddingo, Merx, PublicPurchase.com, and The New York State Contract Reporter www.nyscr.ny.gov, April 29, 2026 in South Carolina's The State, Oregon's Daily Journal of Commerce, and in the Salt Lake Tribune, May 1, 2026 in the Deseret News, April 28, 2026 and May 5, 2026 in USA Today and The Oklahoman, May 1, 2026 and May 8, 2026 in the Indianapolis Business Journal and Indianapolis Star.

Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for Law Enforcement Equipment to result in a procurement solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. Sourcewell encourages the use of Small, Minority-owned, Women's Business Enterprise, Veteran-owned Business Enterprise (S/M/WBE/VBE) suppliers both as prime and subcontractors and encourages the participation of these suppliers in the solicitation process. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [<https://proportal.sourcewell-mn.gov>]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than June 16, 2026, at 3:30 p.m. Central Time, and late proposals will not be considered.

The solicitation process was conducted through the Sourcewell Procurement Portal. The following parties expressed interest in the solicitation by registering for this opportunity within the portal:

17847726 Canada, Inc.	Kenzaifi Group, LLC

Proposals were reviewed by the Proposal Evaluation Committee:

Julie Riebe, NIGP-CPP, Senior Procurement Analyst
Scott Dobereiner, CPPO, NIGP-CPP, Procurement Analyst II
Mari Vielma, NIGP-CPP, Procurement Analyst II
Neva Crawford, Procurement Analyst I

The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that the products and/or services offered in the proposal response from Dronetag s.r.o. dba Dronetag, MCM Technology, LLC, LLC, N-ear dba N-EarPro, and Unhinged, LLC, fall outside of the Requested Equipment, Products, or Services of the RFP. All other proposals were found to meet the scope and mandatory submittal requirements and were evaluated.

All Traffic Solutions, Inc., doing business as All Traffic Solutions, LLC and Traffic and Parking Control Co., LLC, offers a broad range of traffic safety solutions for law enforcement agencies, municipalities, school districts, and other sectors. Its sales and service teams are fully equipped to support Sourcewell participating entities across the United States and Canada. They are offering competitive pricing discounts off MSRP.

Ambitec, Inc. dba RTS Tactical is a U.S.-based manufacturer of ballistic protection and tactical equipment, founded in 2016 and headquartered in Miami, Florida. The company serves law enforcement, government, military, educational, and public safety organizations nationwide and internationally, having supported more than 2,000 agencies. RTS Tactical designs, manufactures, and directly supports ballistic shields, body armor, ballistic barriers, and related solutions. The company emphasizes American manufacturing, patented innovation, product quality, and manufacturer-direct technical, warranty, and training support. They offer Sourcewell Participating Entities a percentage discount pricing model as well as no additional charges for freight/shipping.

Courage Tactical LLC dba CopsPlus has provided duty gear through since 2002. They can service all 50 states and Canada. Its primary offering includes law enforcement duty gear, traffic safety equipment, and crime scene and evidence collection products. A unique attribute is its online agency portal supporting quotes, orders, invoices, shopping lists, and purchasing workflows. They are offering favorable pricing terms along with solid discounts off their solutions.

Emergency Technology Inc., doing business as SoundOff Signal, was incorporated in 1987 and reports 39+ years in business, with its main office and manufacturing operations in Hudsonville, Michigan. The company serves all 50 U.S. states, Washington, D.C., Canada, and international markets, providing emergency vehicle lighting, warning, control, integration, training, and technical support solutions. A distinguishing attribute is its fully integrated, human-centered lighting and control platforms designed to simplify vehicle upfitting and improve safety. SoundOff Signal offers a 52% discount from published list/MSRP pricing in the United States and Canada.

Federal Eastern International, LLC has been distributing mission-critical equipment, duty gear, and related services to law enforcement, public safety, and government agencies since 2010. They are willing to serve agencies across the United States and Canada. Federal Eastern International, LLC is offering competitive discount pricing range to Sourcewell participating entities.

Federal Signal Corporation was founded in 1991, specializing in signaling equipment, audio and visual warning systems, and communication solutions. Their extensive authorized sales network includes 350 distributors and

50 Signature Partners serving the United States and Canada, with technical support available. Federal Signal Corporation pricing reflects substantial discounts off list price.

Galls, LLC has operated since 1968. The company reports serving customers across all 50 states, the District of Columbia, U.S. territories, and Canada through its Canadian subsidiary. Galls distributes law enforcement duty gear, traffic safety equipment, crime scene and evidence products, and related services. Galls offers a solid off MSRP/list pricing, plus discretionary volume discounts based on purchase volume.

Getac, Inc., established in 1989 with over 30 years of experience, maintains its main U.S. business office in Irvine, California. Its solutions have served clients in more than 100 countries, with sales and support coverage throughout all 50 states and portions of Canada. Getac provides rugged laptops, tablets, body-worn and in-car video, evidence management software, accessories, warranties, and support services. A unique attribute is its turnkey rugged compute and video ecosystem. Getac is offering a competitive discount range off list pricing.

Industrial Strength Industries, LLC is a woman-owned small-business reseller offering tactical duty gear, helmets, optics, lighting, breaching tools, packs, and related support. ISI plans to serve U.S. entities directly, using manufacturer and authorized-supplier networks for fulfillment and technical support. They have served over 50 government entities across 40 states in three years. ISI is offering a competitive discount off list pricing for Sourcewell participating entities

Joint Force Tactical Ltd. has been supplying law enforcement and public safety equipment since 2016. Veteran-owned and headquartered in Chilliwack, British Columbia, they serve Canadian government agencies across policing, corrections, military, fire, and emergency management. Its offerings include duty gear, tactical and protective equipment, evidence supplies, traffic safety products, customization, and training. They also offer sizing/fitting services and will provide nationwide Canadian service through direct sales. Joint Force Tactical Ltd. offers a strong discount off MSRP prices for Sourcewell participating entities.

L.N. Curtis & Sons dba Curtis Blue Line is a long-established distributor and reseller of law enforcement, firefighting, and emergency response equipment, serving public-sector agencies since 1929. Curtis Blue Line offers more than 100,000 products from 500+ suppliers, supported by nine locations, a broad sales and customer-service organization, and specialized product technicians. The company serves primarily government customers and has extensive cooperative purchasing and GSA contract experience. Their proposal emphasizes comprehensive product selection, responsive customer service, nationwide support where manufacturer-approved, competitive pricing, training, post-sale services, and integrated logistics. They are offering favorable pricing terms along with solid discounts off their solutions.

Panasonic Connect North America has operated since 1918. The company reports nationwide U.S. government sales and a 70% Canadian market share for rugged devices. Its primary solution is TOUGHBOOK rugged mobile computing for public safety and government. Panasonic offers Sourcewell Members a significant discount from list prices.

Rampart USA Corp. was established in 2020. Their sales and service network can serve Sourcewell participating entities in the United States. Rampart specializes in tactical, law enforcement, military, corrections, and public safety equipment, including duty gear, protective equipment, communications, training, and EOD-support solutions. A unique attribute is its exclusive North American distribution of WARQ and Defilade products. Rampart offers a solid discount off list price.

Tomahawk Strategic Solutions, LLC is a veteran-owned small business that provides equipment, training, and consulting services to law enforcement, military, public safety, and other security agencies. Their sales and service teams support Sourcewell participating entities throughout the United States and Canada through a nationwide network of manufacturer partners. Tomahawk offers solid discounts off MSRP.

Whelen Engineering Company, Inc., founded in 1952 with nearly 75 years of industry experience, is headquartered in Chester, Connecticut, and reports coverage across all 50 states, U.S. territories, and Canadian provinces. The company designs and manufactures emergency warning lights, sirens, control systems, cloud-based technology, and mass notification solutions. A unique attribute is its vertically integrated U.S. manufacturing, including in-house component production and hard-coated lenses as standard. Proposed discounts are 42% off automotive list prices and 10% off mass notification list prices; Whelen Cloud Platform and Core+ are offered at net pricing with no discount.

Witmer Public Safety Group, Inc. has served the public safety market for 30+ years and is based in Coatesville, Pennsylvania. The company has supported customers across all 50 U.S. states, U.S. territories, and multiple Canadian provinces. Its primary scope is distribution of specialized law enforcement and public safety equipment, including duty gear, traffic safety, crime scene, lighting, thermal imaging, and gas detection solutions. A unique attribute is its exclusive focus on public safety, supported by specialized ecommerce and agency purchasing portals. Proposed category discounts range from approximately 38% to 45% off catalog pricing.

For these reasons, the following awards of Sourcewell **Master Agreement #061626** are recommended:

STATEMENT OF COMPLIANCE

As Chief Procurement Officer for Sourcewell, I have reviewed the recommendation of the Deputy Chief Procurement Officer and the accompanying support materials documenting the process followed for **RFP#061626 Law Enforcement Equipment**.

The Evaluation Committee accepted, deemed responsive, evaluated, and recommended proposals for award to the Deputy Chief Procurement Officer. Under authority granted to the Chief Procurement Officer in Sourcewell's bylaws, the recommendations set forth above are approved.

I hereby certify:

1. Sourcewell is a government agency, created and authorized by Minnesota law to provide cooperative procurement master agreements.
2. The procurement process and resulting master agreements have been awarded in compliance with the laws of the State of Minnesota (Minnesota Statutes Chapter 471 and Minnesota Statutes Section 123A.21), and in conformity to Sourcewell's Procurement Policy.
3. The awards listed were made based on the results of the competitive solicitation process.
4. The awards listed were ratified by the Sourcewell Board of Directors on **October 20, 2026**.
