to the
REQUEST FOR PROPOSAL (RFP) #062326
Entitled

Electrical Energy Power Generation Equipment with Related Parts, Supplies, and Services

The following advertisement was placed May 5, 2026 in and on the Sourcewell website www.sourcewell-mn.gov, Sourcewell Procurement Portal <https://portal.sourcewell-mn.gov>, Biddingo, Merx, PublicPurchase.com, and The New York State Contract Reporter www.nyscr.ny.gov, May 6, 2026 in South Carolina's The State, Oregon's Daily Journal of Commerce, and in the Salt Lake Tribune, May 8, 2026 in Utah's Deseret News, May 5, 2026 and May 12, 2026 in USA Today and The Oklahoman and Indianapolis Star, May 8, 2026 and May 15, 2026 in the Indianapolis Business Journal, and May 5, 2026, May 6, 2026, and May 7, 2026 in the Kennebec Journal.

Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for Electrical Energy Power Generation Equipment with Related Parts, Supplies, and Services to result in a procurement solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. Sourcewell encourages the use of Small, Minority-owned, Women's Business Enterprise, Veteran-owned Business Enterprise (S/M/WBE/VBE) suppliers both as prime and subcontractors and encourages the participation of these suppliers in the solicitation process. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [<https://portal.sourcewell-mn.gov>]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than June 23, 2026, at 3:30 p.m. Central Time, and late proposals will not be considered.

 Hyster-Yale Material Handling Inc.
 Modular Energy Solution
 National LED
 Potter Oil and Tire Company Inc
 Rehlko
 Rolls-Royce Solutions America Inc.
 Terex Utilities
 Viridi Parente, Inc.
 Willmeng Construction, Inc.

Proposals were reviewed by the Proposal Evaluation Committee:

Ginger Line, MPA, NIGP-CPP, CPPB, Senior Procurement Analyst
 Ben James, Procurement Analyst II
 Ashley Powers, Procurement Analyst I
 David Gonzalez, Procurement Analyst I

The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that the products and/or services offered in the proposal response from Evolution Electrical Products Inc, Terex Utilities, Viridi Parente, Inc., and Willmeng Construction, Inc., fall outside of the Requested Equipment, Products, or

Services of the RFP. All other proposals were found to meet the scope and mandatory submittal requirements and were evaluated.

Bidr Technologies and its equipment and services partner, Intrepid, have been providing their solution for 25 years. They have served over 200 Federal, State, and Local Government entities in the past 3 years and have served in 48 U.S. states. Together, they have a long successful history of participating in co-operative contracts and state contracts. Their large presence across the U.S. and Canada allows them to be willing and able to provide their solution to most of the two countries. Intrepid has many units in stock and a significant discount with various warranty options. Additionally, they offer volume discounts and rebates.

Caterpillar was founded in 1925. Caterpillar distribute product through their vast dealer network, boasting 42 dealers with more than 800 locations in the United States and Canada. Those dealers are supported by a Caterpillar sales and marketing team of more than 600 people. The Caterpillar sales footprint is bolstered by a service force of more than 20,000 factory-trained technicians. Caterpillar are offering Sourcewell participating entities competitive pricing on generators and related parts, supplies and services.

Cummins Inc. was founded in 1919. Cummins distribute product through their dealer network, boasting 175 dealer locations in the United States and Canada. Those dealer locations are supported by Cummins Sales and Service North America's sales force. Cummins Sales and Service North America's service force also includes more than 21,100 qualified technicians across distributors and dealers supporting a wide range of applications and customer markets. Cummins are offering Sourcewell participating entities competitive pricing on generators and related parts, supplies, and services.

Generac Power Systems, Inc., was founded in 1959. They design, manufacture and distribute stationary, portable and mobile generators with single outputs ranging between 800W and 3,250kW. With over 115 sales professionals, ten-thousand trained technicians, and distributors covering all fifty states and Canada, they are more than ready to serve Sourcewell participating entities. Generac has financing available and is offering substantial pricing discounts.

Discover Energy, LLC, d/b/a Rehlko, f/k/a Kohler Energy has over 100 years of experience in dependable energy technologies. They have manufacturing facilities on four continents, including a 620,000 ft facility in Wisconsin. Their team of nineteen distributors and 300 field sales personnel are eager to serve Sourcewell participating entities throughout the United States and Canada. Rehlko is offering a full range of electrical energy power solutions at a solid price discounts.

Rolls-Royce Solutions America Inc. is a part of Rolls-Royce Power Systems and has built their brand for more than 100 years. Their authorized distributor network, with coverage in all 50 states and Canada with 1,200 locations will sell and service Sourcewell participating agencies. Rolls-Royce is offering multiple models of Electrical Energy Generation systems including diesel, gas backup and standby, containerized, and trailer-mounted, among others. They are offering competitive pricing on all the products they offer.

For these reasons, the following awards of Sourcewell **Master Agreement #062326** are recommended:

Bidr Technologies Inc.	#062326-BIDR
Caterpillar	#062326-CAT
Cummins Inc.	#062326-CMM
Generac Power Systems	#062326-GNR
Rehlko	#062326-REO

Rolls-Royce Solutions America Inc.

#062326-RYC

STATEMENT OF COMPLIANCE

As Chief Procurement Officer for Sourcewell, I have reviewed the recommendation of the Deputy Chief Procurement Officer and the accompanying support materials documenting the process followed for RFP #062326 Electrical Energy Power Generation Equipment with Related Parts, Supplies, and Services.

The Evaluation Committee accepted, deemed responsive, evaluated, and recommended proposals for award to the Deputy Chief Procurement Officer. Under authority granted to the Chief Procurement Officer in Sourcewell's bylaws, the recommendations set forth above are approved.

I hereby certify:

1. Sourcewell is a government agency, created and authorized by Minnesota law to provide cooperative procurement master agreements.
2. The procurement process and resulting master agreements have been awarded in compliance with the laws of the State of Minnesota (Minnesota Statutes Chapter 471 and Minnesota Statutes Section 123A.21), and in conformity to Sourcewell's Procurement Policy.
3. The awards listed were made based on the results of the competitive solicitation process.
4. The awards listed were ratified by the Sourcewell Board of Directors on September 15, 2026.

Signed by:
