Invitation for Bids (IFB)

Entitled

Indefinite Delivery-Indefinite Quantity Construction Contracts

IFB 072926 – State of Illinois

IFB

Sourcewell issued the Invitation for Bids (IFB) to provide Indefinite Delivery Indefinite Quantity Construction Contracts (IDIQ) on behalf of current and potential Sourcewell Participating Entities, including all government agencies, education agencies to include colleges and universities, and non-profit agencies, within the state of Illinois, as identified in the attached map of the regions. Sourcewell included multiple solicitations within the IFB with the intention of awarding multiple contracts in the state of Illinois.

The following advertisement was placed June 24, 2026, and July 1, 2026 in the Rockford Register Star, Chicago Tribune, and The Pantagraph. It was posted to the Sourcewell website and the Sourcewell Procurement Portal for daily viewing and document download/response from June 24, 2026, until the scheduled due date and time:

Sourcewell, a State of Minnesota local government entity and public agency, is issuing this Invitation for Bids (IFB) on behalf of its participating entities to create indefinite delivery-indefinite quantity construction (IDIQ) contracts that may be used by those participating entities for projects related to construction or the repair, alteration, modernization, or renovation of buildings, structures, or other real property. Sourcewell encourages the use of Small, Minority-owned, Women's Business Enterprise, Veteran-owned Business Enterprise (S/M/WBE/VBE) suppliers both as prime and subcontractors and encourages the participation of these suppliers in the solicitation process.

This IFB consists of the following parts:

- 1. Invitation for Bids, including Map of Regions*
- 2. Template IDIQ Contract*
- 3. IDIQ Contract General Terms and Conditions*
- 4. Construction Task Catalogs*
- 5. Technical Specifications*

A full copy of the IFB can be found on the Sourcewell Procurement Portal (<https://portal.sourcewell-mn.gov>), and only bids submitted through the Sourcewell Procurement Portal will be considered. Bids are due no later than July 29, 2026, at 3:30 p.m. Central Time, and late bids will not be considered. To attend the pre-bid conference on July 9, 2026, register on the Sourcewell Procurement Portal (<https://portal.sourcewell-mn.gov>).

Bids were reviewed by the Bid Review Committee:

Brandon Town, NIGP-CPP, CPSM, Senior Procurement Analyst

Nicole Lueth, NIGP-PPA, Procurement Analyst II

Teresa Chapman, NIGP-CPP, CPPB, Procurement Analyst

Bid Evaluation Method

The Sourcewell Bid Review Committee first determined responsiveness and responsibility of all bidders. A responsive bid must have been submitted on time and materially satisfy all mandatory requirements identified in the IFB. Bidders submitted three adjustment factors for each contract opportunity within the region to the fixed prices in the Construction Task Catalog. The submitted bid adjustment factors were weighted as more fully described in the IFB to determine a single combined adjustment factor. This combined adjustment factor was then used in determining the ranking of the bids. Bidders may not be awarded more than one same scope Contract within a Region. The maximum number of contracts to be initially awarded by geographic region and contract type was identified in the IFB under Article VIII. Evaluation and Award.

Findings of the Bid Review Committee

Bid submissions were reviewed thoroughly according to the IFB Specifications with awards going to the lowest responsive/responsible bidders. The Sourcewell IFB required bidders to provide a letter from their bonding company dated within the past twelve months of this solicitation's closing date. Such a letter was not received from Achieving Vision Builders LLC and GWO Crew LLC and they were determined to be non-responsive. A certificate of good standing dated within the past twelve months of this bid's closing date was also a mandatory upload and was not provided by Axis, LLC, Bidr Technologies Inc., J Spencer Construction LLC, Middendorf and Reuss Construction Inc., and Sterling Commercial Roofing a TectaAmerica Company LLC and they were determined to be non-responsive. Bidders responding to a trade were required to demonstrate self-performance of at least 51% of the trades bid with their own organizational forces. The following bidders were non-responsive, NTPX LLC in Roofing/Weatherproofing and HVAC/Mechanical, Shawn Pea Enterprises Inc. in Asphalt Paving/Concrete and Electrical, and Tiles In Style, LLC DBA Taza Construction in HVAC/Mechanical. Other Than Normal Working Hours adjustment factors were required to be equal or greater than Normal Working Hours. Drew Investment Group, LLC was found to be non-responsive in General Construction. National Catastrophe Solutions Inc provided adjustment factors that were determined to be non-responsible resulting in an unbalanced bid and Paragon Architecture provided an incomplete response and was therefore non-responsive. The selected contractors identified in the results below have the required experience with IDIQ Construction work, and all the awarded bids were determined to be competitive and reasonable for the area.
