The findings of the Proposal Evaluation Committee are summarized as follows:

Proposers were asked to submit a proposal based on their product offerings in designated categories. Proposers could select Category 1 if they could provide at least one solution in each Category 1, 2, and 3 as defined in the

Sourcewell Page **7** of **11**

RFP, along with a complete electronic catalog system for their product offerings. Proposers seeking an award in Category 2 and/or 3, as defined in the RFP, must include at least one solution offered within the scope of the desired Category. The categories are listed below:

Category 1: Technology Products and Services with Related Solutions

Category 2: Security, Cloud, Network, and Data Services with Related Solutions

Category 3: IT Lifecycle Services

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that the products and services offered in the proposal response from iBenzer, Inc., Premier Wireless Business Technology Solutions, Renaissance Learning, Inc., Sigma Consultants Group, Inc, GOMAIN EV, Inc., MaiaLearning, Nutri-Link Technologies,.com, Toxic Suppression, LLC, and Xello, Inc. fall outside of the Requested Equipment, Products, or Services of the RFP. All other proposals met the scope and mandatory submittal requirements and were evaluated.

Category 1 Awarded Suppliers

CDW Government, LLC, offers a depth of computer software/hardware, server networking to include data storage and related IT services. From their 53 offices, they can provide products and services throughout the United States and Canada. While they are a large company they promote the use of women, minority, veteran, and small businesses. CDW-G pricing reflects solid percentage discounts, e-procurement capability, and leasing agreements.

As a certified Minority Owned Business and value-added reseller and service provider, Diverse Tech Services offers their full suite of technology products and services, Security, Cloud, Network, Data Services, and IT Lifecycle Services. These products and services are being provided by a network of locations and dealers around the United States, with over 500 skilled employees and technicians to deliver service, as well as an online E-commerce platform. Diverse Tech is providing this offering of products and services to Sourcewell at better pricing than normally offered to government agencies and Cooperative purchasing programs.

GovConnection, Inc. dba Connection - Public Sector Solutions was founded in 1982 and is a national IT solution provider and value-added reseller authorized to sell to over 460,000 IT products and services from over 1,600 manufacturers. A Fortune 1000 company, they work out of nine state office locations and employ a nationwide remote workforce. They provide a competitive fixed discount from their web catalog price list by product category and will provide volume discounts where possible.

Ideal System Solutions is a small woman and minority-owned business with a deep network of over 150 Original Equipment Manufacturers. They offer Sourcewell and our participating entities across the USA and Canada access to over 7 million products. These products are being offered via a Sourcewell-specific ecommerce site, which includes the ability to report on environmentally preferred and certified products. This deep offering of technology products and services includes Security, Cloud, Network, Data Services, and IT Lifecycle Services at deeply discounted rates.

SHI International offers a wide range of IT solutions, including software, hardware, and end-to-end data center solutions. It has distribution centers in 13 major cities across the US. SHI International offers significant discounts and a punchout platform called iPayables. Additionally, SHI International offers attractive leasing and financing terms.
