| ise Asset | t Management (EAM) Add-On Module I | | mily Description | Commercial List Pri |
| 110 115 | Enterprise Portal Module Billing Module | License License | The Billing Module can be configured to support multiple methods of | 5 |
| | | | accounting for fleet costs, including internal period lease, motor pool, and service-based rates. The billing process generates an output file with costs | 1 |
| | | | summarized by account codes that can then be uploaded to general ledgers or | l |
| 120 | Reporting Module | License | The Reporting module harnesses the power of Crystal Reports/ Business Objects as its standard report engine. The FleetFocus application is delivered | 5 |
| | | | with over 270 standard, out-of-the-box report that support various aspects of fleet operations. Reports can be exported via email or a compatible file format, contract Microscoff Everal or Adoba NDE | 1 |
| 130 | Ad Hoc Reporting Module | License | The Ad Hoc Reporting Module integrates an ad-hoc reporting tool into the | 51 |
| | | | FleetFocus application, requiring no external access to the database or application. Users can be granted rights to the module as either a report writer | 1 |
| | | | or report reader. AssetWorks has developed user-friendly reporting views that allow users with limited database training to create their own reports against | 1 |
| | | | the data and embed these reports within a FleetFocus portal or export the file via a compatible format, such as Microsoft Excel or Adobe PDF. | |
| 140 | Motor Pool Module | License | The Motor Pool module manages all the tasks involved in running a fleet of rental vehicles, including checking unit availability, entering customer | 10% |
| | | | reservation information, generating check-out tickets, entering meter readings and additional charges when the unit is brought back, completing the motor | 1 |
| | | | pool ticket, and closing the transaction. The system automatically generates a billing for the rental transaction when the next billing report is run. | 1 |
| 150 | Motor Pool Reservations Module | License | The Motor Pool Reservations module is a companion module to the Motor | 5% |
| | | | Pool module and allows customers to put a reservation portal on a corporate website so that operators can submit reservation requests. This module | 1 |
| | | | includes a web-service that securely communicates with the external portal screens to support the reservation process. Users can register on the site and | 1 |
| 160 | Shop Activity Module | License | The Shop Activity module includes the Technician Portal. Supervisor Portal. | 10% |
| | | | Work Management Portal, Storekeeper Portal, and Service Request Portal to streamline labor time collection, manage technician assignments, and plan | 1 |
| | | | shop workloads. These portals bring together common shop actions into a single view, making it easy to deploy real-time labor capture on the shop floor. | 1 |
| | | | | 1 |
| 165 170 | Driver Behavior Module Customer Access Module | License License | The Customer Access module gives external users access to select screens | 20% |
| | | | within FleetFocus. Any FleetFocus screen can be assigned to the Customer Access portal, but certain screens like the Customer Unit View were designed | 1 |
| | | | for customers to view simplified information regarding a unit's repair history. | 1 |
| 180 | KPI/Dashboards Module | License | Department access functions only allow fleet customers to view, enter, and The Dashboards module graphically display the results of system-generated | 5% |
| | n y bearboards module | Domac | Key Performance Indicators (KPI). Variables can be used to restrict the KPI to a particular location, department, or other unique identifier. When executed, | - |
| | | | the results are displayed on the Dashboard grid as a spark-line graph that displays the results of the most recent iterations with drill-down capabilities. | 1 |
| | | | Dashboards can be linked to any screen to create a workflow response to view | 1 |
| 200 | PMM/Performance Measures and Monitors | License | The Performance Measures & Metrics (PMM) module is used to report on data | 5% |
| | | | trends and compare performance measures across locations and equipment types. Each PMM is made up of specific factor measures that can be assembled into user-defined KPIs. The user interface lefs users compare results for | 1 |
| | | | different locations and/or equipment types across a range of periods. | |
| 10 | Capital Planning Module Capital Asset Management (CAM) | License License | The Capital Asset Management (CAM) solution is an independently-deployed | 15% 40% |
| 20 | Capital Casts management (Cour) | Domac | application and schema integrated into the FleetFocus database instance that greatly expands FleetFocus' asset management functionality. CAM has two | 40% |
| | | | major functional components: Procurement and Disposal, and Analytics and | 1 |
| | | | Planning. These two components help organizations analyze the complete lifecycle of their major assets and develop capital plans that track | 1 |
| 230 | MAXQueue Integration Module | License | The MAXQueue module provides the XML-based integration framework that | 5% |
| | | | permits FleetFocus to integrate with any external system. MAXQueue can support real-time and batch integrations and applies the same configuration and husiness rules as data entered through the FleetFocus user interface | |
| 0 | Esri Integration Module | License | | 10% |
| 50 | Allocation & Assignment Module | License | The Allocation & Assignment Module is designed to allow any asset or part to be assigned to a person, place or asset. Intended to track smaller items of | 10% |
| | | | lesser value, this module works as a streamlined quartermaster and functions via portals: | 1 |
| | | | The Allocation and Assignment Portal allows a manager of the portal to create assignment records for items and track the status and expiration of those | 1 |
| | | | items. He or she can also use this portal to view requests from others within | 1 |
| | | | their organization for new items, replacements or transfers from their location. | 1 |
| | | | Within the Assignment Request Portal, a user can log in to view requests, request a new item or report an issue with their current item. These requests | |
| | | | are then sent to the management section of the module, so they can be responded to as needed by supervisors and the store managers. | |

| KIT-SAT | Verizon Networkfleet Satellite Kit | Hardware | Includes modem, antenna and harness | \$845.00 |
| PARTS030 | Verizon Networkfleet GPS Reinstallation Kit | Hardware | | \$3.90 |
| PARTS031 | Verizon Networkfleet Tamper Proof Resistant Zip Ties | Hardware | 100 per pack | \$65.00 |
| PARTS032 | Verizon Networkfleet Window Mount GPS Antenna Module | Hardware | Used with 5500 and 5200 series devices | \$45.50 |
| PARTS041 | Verizon Networkfleet Sensor Input Harness | Hardware | Used with 5500 and 5200 series devices | \$13.00 |
| | | | Includes core connector and 8 adapters | , |
| PARTS042 | Verizon Networkfleet OBDII Adapter Kit | Hardware | Used with 5500 and 5200 series devices | \$26.00 |
| PARTS043 | Verizon Networkfleet 6-Pin Heavy Duty Harness | Hardware | Used with 5500 and 5200 series devices | \$45.50 |
| PARTS043 | Verizon Networkfleet Included 6-Pin Heavy Duty Harness | Hardware | Included with 5500 and 5200 series devices | \$0.00 |
| PARTS044 | Verizon Networkfleet 9-Pin Heavy Duty Harness with Square Flange | Hardware | Used with 5500 and 5200 series devices | \$45.50 |
| PARTS044 | Verizon Networkfleet Included 9-Pin Heavy Duty Harness with Square Flange | Hardware | Included with 5500 and 5200 series devices | \$0.00 |
| PARTS045 | Verizon Networkfleet 9-Pin Heavy Duty Harness with "D" Mount | Hardware | Used with 5500 and 5200 series devices | \$45.50 |
| PARTS045 | Verizon Networkfleet Included 9-Pin Heavy Duty Harness with "D" Mount | Hardware | Included with 5500 and 5200 series devices | \$0.00 |
| PARTS046 | Verizon Networkfleet Universal Harness | Hardware | included with 3300 and 3200 series devices | \$13.00 |
| PARTS046 | Verizon Networkfleet Included Universal Harness | Hardware | | \$0.00 |
| FAR13040 | VEHZON NECWORKIEEC INCIDIDED ONIVERSAL HARNESS | Haluwale | Included with 5500 and 5200 series devices | 30.00 |
| PARTS047 | Verizon Networkfleet Included Light Duty Harness | Hardware | Includes OBDII adapter kit | \$0.00 |
| PARTS049 | Verizon Networkfleet Alternate Power Adapter | Hardware | Used with 5500 and 5200 series devices | |
| PARTSU49 PARTSU53 | Verizon Networkfleet Alternate Power Adapter Verizon Networkfleet Garmin FMI Modified Cable | Hardware Hardware | used with 5500 and 5200 series devices | \$26.00 \$71.50 |
| PARISUSS | Verizon Networkheet Garmin Fivil Modified Cable | naruware | Used with 5200 series devices | \$71.50 |
| PARTS057 | Verizon Networkfleet Pelican Micro Case | Hardware | Includes 15' universal harness | \$97.44 |
