Sourcewell awarded a contract to Bentley Mills to provide Flooring Materials, with Related Supplies and Services, to Sourcewell and its Participating Entities, effective October 14, 2019, through October 11, 2023 (Contract).

Vendor has requested additional detail regarding its ordering process.

As of the date of the last signature below, the Contract will be amended to add the following:

Bentley Mills offers a comprehensive ordering process for each type of flooring transaction: Material-only orders, Turnkey orders, and Dealer Material / Turnkey orders. The process for each of these is as follows:

**Material Only Orders**

- Customer emails Bentley Mills with order request listing: Customer Information, Bill to address, Job name, Bentley Products, and Adhesive.
- Bentley Mills - creates a quote and sends it to the customer / end-user for review
- If the customer accepts the proposal, the customer will need to issue formal purchase order back to Bentley Mills.
- Bentley Mills - processes the order and emails customer with stock/backorder information, along with an order confirmation.
- Material is shipped to the customer.
- Bentley Mills - Customer is invoiced and pays Bentley Mills per the invoice.

**Turnkey Orders**

- Customer emails Bentley Mills with order request listing: Customer Information, Bill to address, Job name, Bentley Products, Adhesive. The Installation vendor can send this information to Bentley as well if they are working directly with the customer.
- Installation Vendor provides labor quote and quantities of materials needed.

- If the customer accepts the proposal, the customer will need to issue a formal purchase order back to Bentley Mills.
- Bentley Mills - processes the order and emails customer and installer with stock/backorder information, along with an order confirmation.
- Material is shipped out to the installation vendor or customer. (Depends on storage at the job site)
- Bentley Mills - Installation Agreement and Project Completion forms are sent to the installation vendor

- When the job is completed, installation vendor provides Bentley Mills with the signed Project Completion form. Bentley pays the installation vendor per the Installation Agreement for work performed.
- Bentley Mills then invoices the customer for material and labor as agreed upon and pays Bentley Mills.

**Dealer Material and Labor If Needed**

- The dealer sends the customer proposal for material and labor services (if needed).
- The dealer sends Bentley Mills a PO for "material only" (This is for reporting to Sourcewell)

- Bentley Mills - processes the order and emails Dealer with stock/backorder information, along with an order confirmation.
- Material is shipped to the Dealer
- Bentley Mills - Dealer is invoiced and pays Bentley Mills per the invoice

All orders received by an Authorized Dealer must have the Sourcewell Member Number and Bentley's Contract Number on their Purchase Order. Bentley's Customer Care enters this information into our system at time of order entry, which is tracked, managed and reported for the fee payment approval process

Except as amended by this Amendment, the Contract remains in full force and effect.
