The following items do not apply for any discounting:

- MAP-excluded items (Minimum Advertised Price determined by supplier)
- Climbing Walls
- SPARK Physical Education Curriculum
- SPARK Physical Education Professional Development Training
- ACHIEVE! Curriculum

Our published price on products typically changes annually. Rarely a product or group of products changes price more than once during the year due to changes in material costs or other factors. In those situations, the Sourcewell Contract discount would be applied to the most current published price.

Our published prices for U.S. customers are in U.S. dollars. Our published prices for Canadian customers are in Canadian dollars.
