

Pricing Offer

Grainger North America's **offer encompasses the entire US and Canada portfolios of maintenance, repair, and operating supplies and services** with a pricing model that is a most comprehensive, robust, and competitive Sourcewell offer to date and provides Members numerous cost savings opportunities:

- Category Discounts
- Facility MRO Supplies & Equipment Hot List
- Member Market Basket
- General Catalog Discounts
- Large Order and Volume Discounts
- Customer Specific Pricing (CSP)
- Access to all Grainger-Sourcewell Contract Awards and the Pricing Benefits of each

CATEGORY DISCOUNTS: Our North American offer encompasses significant discounting across multiple MRO categories. These category discounts are applied to Grainger North America's Contract Reference Price (CRP). CRP is market-based. When evaluating pricing, it is important to compare "final" product prices, as a larger discount percentage offered by a competitor who has not adopted market-based pricing may not yield a lower final product price.

Differences between the U.S. and Canadian supplier base vary across all product categories so not all Grainger US products, catalog or sourced, are available in Canada.

Grainger continues its efforts to enhance its online search and purchasing experience by incorporating new technology and functionality to its online offering. Accordingly, and at Grainger's sole discretion, product categorization may be modified from time to time to promote clarity and product alignment. Additionally, there are products that, because of their volatile nature in context of supply, including pricing, demand and availability, are not eligible for any, including general, category discount.

For Sourcewell Members, CRP is found on Grainger.com and Grainger.ca when Members log into their account. The CRP at the time of purchase will be the price to which any contract discounts will be applied. The offered category discounts are fixed through the life of the contract across **the specified** MRO categories.

FACILITY MRO SUPPLIES & EQUIPMENT HOT LIST: Grainger North America, through decades of serving government customers, has captured purchasing data reflecting current and relevant product needs to compile its Hot List offer. Grainger North America presents the attached Facility MRO Supplies & Equipment Hot List to all US and Canada Sourcewell Members who complete the **Grainger** affiliation process to access, if awarded, the Sourcewell Facility MRO Supplies & Equipment #091422 contract. This offer is comprised of the highest volume and most frequently purchased products across a broad mix of government agencies.

Grainger North America analyzed usage and procurement data of **Facility MRO Supplies & Equipment** related products from its largest states, provinces, local government, education, and non-profit customers across North America and combined it with all Sourcewell Members' prior 48 month purchasing analytics. Data points such as the number of times an item was purchased, when and how often, how many individual agencies purchased the item, including those items added into an inventory management solution, were scrutinized to prepare the Hot List.

The Hot List encompasses roughly 850 items specific to Sourcewell state, province, local, educational, and non-profit agency customers. Due to variances between our catalog offerings and supplier base in the US and Canada, not all items in the Hot List are available to our Canadian customers. The items in the Hot List available to both US & Canadian Sourcewell customers have been priced in both USD and CAD respectively in our submission.

The **Facility MRO Supplies & Equipment** Hot List pricing is competitive and will be held firm for 12 months from date of award.

To keep the **Facility MRO Supplies & Equipment** Hot List meaningful throughout the life of this contract, Grainger North America will evaluate the product selection and update it each year to ensure relevant product mix.

MEMBER MARKET BASKET: In addition to the Grainger **Facility MRO Supplies & Equipment** Hot List, we offer the ability for each affiliated Member to create a custom Market Basket of up to 300 items. To drive additional cost savings and predictability, Members can select a custom Market Basket consisting of the Facility MRO Supplies & Equipment products the individual Member most frequently purchases. The Grainger North America Sales Team will work with Members seeking to consolidate, standardize, and identify a product list and price.

GENERAL CATALOG DISCOUNT: All items in Grainger's General Catalog are included within this Sourcewell offering. Grainger recognizes the operational importance to provide Members access to products beyond those covered by Defined Category Discounts, Hot List, Member Market Basket and products aligned to a specific category. Grainger North America provides a 5% discount off of CRP on these products except for items identified as volatile which are not eligible for a discount.

LARGE ORDER AND VOLUME DISCOUNTS: Grainger has years of experience working with Sourcewell Members on individual projects and discounted pricing. Grainger North America will continue to work with Sourcewell Members to leverage additional discounts for large, single orders, based on size and scope.

CUSTOMER SPECIFIC PRICING (CSP): Grainger North America recognizes the importance of providing Members with relevant pricing for specific products in special circumstances. Deeper discounted pricing can be sought in the form of Customer Specific Pricing (CSP) as it relates to specific opportunities.

Grainger North America reserves the right to adjust pricing to reflect market conditions, as provided in Section 4 (Sourcewell's Vendor Price & Product Change Request Form, referenced in RFP #091422). These adjustments may include unforeseen significant increases in supplier's costs resulting from changes in laws or regulations, impositions of tariffs, currency fluctuations, increases in commodity prices, or other changes in conditions not reasonably foreseeable to Grainger North America.

ACCESS TO ADDITIONAL GRAINGER-SOURCEWELL CONTRACT AWARD BENEFITS: Upon affiliating with the Sourcewell Facility MRO Supplies & Services Agreement, # 091422, a Sourcewell Member may also affiliate with any other Grainger-Sourcewell Agreement and access the benefits under that agreement, so long as each agreement remains valid. Upon expiration or termination of any other agreement, Grainger will extend the benefits provided in any successor agreement associated with the Member so long as that agreement remains valid. Differences between the U.S. and Canadian supplier base vary across all categories so not all products are available in Canada.

A Member may contact Grainger at sourcewell@grainger.com or the local Grainger Account Manager, to learn how to adopt additional Grainger-Sourcewell awarded contracts and access value-added service and pricing benefits through your Grainger account.
