The following items do not apply for any discounting:

- NAO Robotics products
- STEM BMX Kit
- Creator Pro 3D Printer
- Inventor 3D Printer
- PPE and COVID-response products

Our published price on products typically changes annually. Rarely does a product or group of products change price more than once during the year due to changes in material costs or other factors. In those situations, the Sourcewell Contract discount would be applied to the most current published price.

Our published prices for U.S. customers are in U.S. dollars. Our published prices for Canadian customers are in Canadian dollars.
